

# WEBER MIDDLE SCHOOL

## 7<sup>th</sup> Grade - Red House

**Summer 2009**

Dear Parent/Guardian,

We, the Red Team teachers, welcome you to seventh grade! We will do our best to help your child grow academically, personally and socially.

We hope that we can count on your support by encouraging your child to do his/her best, making sure that your child completes his/her homework and assignments on time, and informing us if your child is having any problems with school.

Additionally, a progress report will be sent home at the mid-point of each marking period. At the end of each ten-week period report cards will be mailed home. One important seventh grade goal is to further develop each student's sense of responsibility for his/her own choices and decisions.

Communication between home and school is an important factor in making school a positive experience for youngsters. We work closely with Mrs. Dubie, the Red House assistant principal, and Ms. James, your child's guidance counselor, throughout the year. Please contact us if you feel there is anything that we should know about your child. You may reach us by calling the Main Office at 767- 5505.

We hope that your child is looking forward to seventh grade and to making it a rewarding experience. We look forward to meeting you at Open House, September 30, 2009.

**Sincerely,**
