Date_____

I disagree with the professional staff of Weber Middle School and would like my child,
_____ to be scheduled for accelerated math, Integrated
Algebra for the 2009-2010 school year.

I am aware that this course is a commencement level course with a Regents in June and
that both the grade in the course and the score on the Regents will be included as part of
the official high school transcript.

Please return this form to your child's guidance counselor by Monday, July 6, 2009.
