WHO'S WHO AMONG THE SENIORS

Alan Porter

Alan Porter our athlete dark often goes on a midnight lark. He captains our team so well you see. A very great man we expect him to be.

Billie: "We're going to have a banquet. What do you say to a little toast?"
Half: "Toast! I wanna a regular meal!"

Men Cove game - Nov. 15.

Some stranger at last Saturday's game wanted to know whether Manhasset High School was larger than Port Washington. He said the cheering was so much louder.

A KIND DONATION

Through the interest and generosity of Mr. Clarence Budington Kelland, the school library received a copy of each of Mr. Kelland's books from the publishers.

+ +

The Seniors had a very hard time selecting their class pins and rings. They finally agreed on a design that is simple yet dignified. Those preferring pins were given the opportunity to get them as either rings or pins may be had with the design.

+ +

In a recent issue we asked for some Port Lights. We have received only two as yet. This not enough for our exchange department and we must have more. Please bring us one of your June 1924 numbers and help us out in this way.

NEW TRAFFIC LAWS

Because the High School students are so noisy that they annoy the grade teachers who are conducting classes, it has been found necessary to make some new laws regarding the stairways, especially at noon. Hereafter ALL High School Students will go to the lunch room by the southeast staircase ONLY, and will leave by the southwest staircase. Under NO condition, will they be allowed on the second floor during the noon hour. Rooms have been provided on the first floor for the use of pupils desiring to study during that time. Keep this in mind and obey!

THE PORT WEEKLY

PORT WINS OVER FREEPORT

Last Saturday P. W. H. S. defeated Freeport for the first time in three years. 12-6 was the score. Freeport made their one touchdown in the first five minutes of play through a fifteen yard forward pass and a twenty-five yard run. The outlook was not at all pleasant for us but the team wasn't disheartened. They scored early in the second period but resolved that this was not enough. Receiving the ball on the kick-off in the third period they steam-rolled eighty yards for a touchdown. It was one of the most thrilling periods in the history of Port High. Those of you who weren't there can take our word for it. You missed something.

So far Port has had a very good record. We want to continue that record next Saturday when we play Glen Cove here. We owe that team something and we intend to pay in full with compound interest. We hope that every student will be at the game and that every student will join the cheering squad and make plenty of noise.
