FOOTBALL TEAM SURPRISED

Last Friday afternoon a surprise was given to the members of the football team. After the Pentagon Club had produced their act, Mr. Merrill called the members of the team who had earned their letters to come to the platform and receive them. Then in behalf of Mr. Kelland and the students he presented each member of the team with a small, gold football.

Captain Porter made a short speech of thanks and then he proceeded to surprise the coaches by presenting them a leather bill-fold in recognition of their work.

Mr. Seeber admitted his surprise, thanked his "boys" and then told us all not to forget the second team. If we had no second team the first team would amount to little. He gave particular mention to Arthur Blackmore, a Senior, who, altho he had no chance of getting a letter, stuck to his job and reported every night for practice.

Mr. Connery then expressed his thanks to the team and then he told us a joke with a moral. It was:"Without a second there could be no first team."

Following is a list of the men who received letters: Captain Alan Porter, Rolf Zurwelle, William Greet, Robert Lovejoy, John Skillman, Robt. Magee, William Carman, Robert Markland, Wendell Hamm, James Langley, Abie Raff, Donald Geddes, Everett Frost and John Linkfield.

THE JUNIOR DANCE

The first afternoon dance of the year was given by the Juniors last Friday afternoon, December 4, in the Gymnasium. This dance was given for the purpose of starting a fund to make the Junior Prom of 1925 the greatest success possible.

The dance was a success as far as the presence of members of the faculty is concerned and to these teachers the Juniors

The students did not have the school spirit to attend and help make the dance a financial success. Next time we hope the large number of students, who failed to put in appearance on Friday, will be present to encourage the Juniors in their endeavors.

AND NOW THE PLAY!

Just until Friday evening! The countless little things to be done! The last minute catastrophes! The uncomfortable but enjoyable make-up! And then, then the thrill!

Now that we are sure of a full house, we turn to our remaining work in fine spirits and we hope that our production will be worthy of P.W.H.S.
