FASHIONS

Owing to the importance that clothes have taken in School, we think it advisable to start a fashion column. We hope this will prove a great benefit to some of our perplexed students.

For men, we find that knickers like Douw Fonda's are an important item in the wardrobe. Either a dark or pleasing pastel shade is most desirable. A hunting shirt in a gaily checkered pattern would be acceptable. Bright purple, ultramarine and even tangerine are pleasing colors for these. And we must not leave out trousers a-la Jimmie Langley. These are absolutely indispensable. Were they a bit longer and a bit wider, Mr. Rumens wouldn't have to employ any janitors to sweep the rooms.

A few weeks ago we asked for some material for this paper. It has been coming in thick and fast but we regret to say that we have not been able to use all of it. Your jokes have been copied from other magazines and we cannot use them. If you give us up-to-date news and original jokes, we can assure you of their publication.

ALICE-SIT-BY-THE-FIRE

The Washington Square Players of the N. Y. U. are to give J. M. Barrie's fantastic comedy in three acts "Alice-Sit-By-The-Fire" in the High School Auditorium on February 7. The proceeds will go to our annual scholarship fund to Washington Square College. We want a large audience and the house should be packed. You know the quality of the N. Y. U. productions. Do not fail to be present.

One day last week, Mr. Fish, the manual training teacher, was absent. But the shop classes were not without a teacher! Mrs. Brazeau was on duty for the day and the boys said they accomplished a great deal under her supervision. Bravo, Mrs. Brazeau!

One day as I passed by,
I saw a beaver damming the river.
Mr. Hill, I did pass, who had got out
of gas.
Was doing the same to his flivver!

Mr. Cortwright (Eng. teacher, to 8 A class): "Silence please! The bell has rang!"

The 8 A Current History contest closed last week and was a victory for the Senators. They scored 48 and the Navy, 39.

In the contest between the 8 AI and the 8 AII, the 8 AII won by a score of 87-26.

BASKETBALL

The girls opened their season with a victory. Last Friday afternoon the girls basketball team traveled to Roslyn for their first game of the season, and came through with the high score of 23-14.

The first part of the game was a continual struggle for baskets. The first basket was made by I. Campbell of Port. This eased the nervousness of the girls who had never played in a game before. Port had practically a whole new team on the floor through the whole game with one or two exceptions.

The Roslyn girls made quite a few baskets in the first half but their efforts to make as many in the second half were futile. They were no match for Port's girls. During the whole game our girls only fumbled the ball twice. Many fouls were made but the Roslyn girls were not good shots on fouls. This game was a good start for this year toward the championship which we hope to get.

Baskets, P. W.: Campbell, F., 8; Deegan, F., 10; Crampton, C., 5.

Subs: Wackwitz for Crampton; Crampton for Clock; Baikie for Deegan; Ray for Campbell.

CLOSE GAME AT WESTBURY

Last Friday evening the P. W. H. S. sent its representatives to play Westbury. From some standpoints it was a very unsatisfactory trip. Port has been coached to play a passing game. Westbury's court was slightly larger than a two-car garage and the baskets were very much out of line. Result: Port had no opportunity to show its splendid passwork and our shooting was very much handicapped. Westbury was very much at home in their somewhat lopsided court and they managed to out point our fellows. Since the court was so small the game resembled a free for all fight. We hope to avenge our defeat very heavily when Westbury plays here. Until now the P. W. H. S. team has been out of form on the road, being handicaped by unfamiliar courts. This Friday they play Manhasset over there. Manhasset has a fast team and will undoubtedly cause Port some trouble. We will make no predictions on that game because we believe that the teams will be too evenly matched. The Second Team had better luck last Friday than the Varsity. They trimmed Westbury Midgets 17-5. The Westbury team

was composed of genuine midgets and they were just small enough to hinder our boys until the last quarter when they amassed 12 points. The game was quite a farce and put the customers in good humor for quite awhile.

The line-up:

Westbury		Port Washington

Wood	F.	McKelvey
Dombig	C.	Porter
Bessemer	G.	Markland
Bauer	G.	Raff

Goals from the field-Westbury: Hesse, 2; Wood, 1; Bessemer, 1; Bauer, 1.

The cast of "Seventeen", members of the Pentagon Club and their chaperones had a very enjoyable day at the Neighborhood Playhouse on Saturday last. We all agree that this was the most delightful affair of the school year. We arrived at Pennsylvania Station a little before noon and since all of us felt rather hungry we lunched at the Pennsylvania Hotel. Oh, yes we did!

When we were ready to continue our journey, Mr. Studwell missed Bill Greet and where do you suppose he found him? There Bill was sitting at the table finishing another piece of pie.
