THE JUNIOR PROM

This year the Junior Prom will be held Friday, May 29. It has always been the greatest social event of the school year, and the Juniors intend to live up to the standards of the classes of other years.

As a result of the candy sales that they have already held, they have sufficient money to make very extensive preparations, and these are progressing very rapidly.

With Thelma Tipson as chairman of the Decoration and Refreshment Committees, the Juniors can promise something especially good in those lines. With Alice Deegan in charge of the sale of tickets, they can certainly expect a large attendance.

But best of all!!!! They have secured

DE WITT CLINTON'S SUNRISE TRAIL ORCHESTRA

to provide the music. With such music as this, and the enthusiastic way in which the preparations are being made, it is sure to be the best ever. Don't Miss It!!

FACULTY ENTERTAINED

Last Wednesday evening the ladies of the High School faculty were entertained at bridge by the ladies of the Village Welfare Society at the Welfare House on Main Street. Miss Beale carried off the first prize while Miss Sloane won second. After delicious refreshments of strawberry sundae, cake and coffee the guests departed.

PORT LIGHT OFF TO PRESS

After much labor and toil the Port Light reached the press last week. Unless something unforeseen happens it will arrive in finished form in the early part of June. It is the best Port Light that we have

Florence Fitch wanted to be excused from detention the other day because she said she had to get home at once and feed a cat, four kittens, a canary bird, dog and three goldfish. Mr. Merrill replied, "Well they won't starve in forty-five minutes, will they?"

THE PORT WEEKLY

BASEBALL

It gives your chronicler great pleasure to report what most of you already know. Mineola was overwhelmed by an appropriate score of 10-1, showing the Mineola team that their one-time 6-5 victory over us was largely due to Lady Luck. We need not say anything much about the facts of the game. If all those who missed the game were to go into the library at one time, Mrs. Langdon would think that business was slack. We are now in line for the North Shore championship, but we have to put Great Neck out of the way first, which should not prove difficult but merely annoying. This game, except for the championship game, is our last and will take place at Great Neck Friday. There's no reason why a large crowd can't be there. At present we are trying to arrange a game with St. Paul's for May 29 which is almost clinched.

SCORE BY INNINGS

		R.	H.	E.
Mineola	0 0 0 1 0 0 0--1	1	4

The impromptu beach party staged by the J. H. S. Faculty was a huge success. They ate huge quantities of most excellent planked steak, roamed around the huge open spaces and had a huge time in general. They entertained, as guests of honor, Mr. and Mrs. Schreiber. On Thursday next the second of the series of weekly parties will be held. This time they contemplate broiling chicken.

SPRING FOOTBALL

Spring football practice started last Monday with a meeting in Mr. Connery's room. All boys are urged to come out. You will learn all about football as well as getting some actual playing.

INTERCLASS TRACK MEET

The interclass track meet will be held this Thursday at 3:30. There is keen competition for the lovely silver cup and the class receiving it will have good reason to be proud.

INTERSCHOLASTIC SPEAKING CONTEST

This Friday we are going to bring home the Amherst Cup from Glen Cove and we want a large crowd there. On account of the small size of the Glen Cove Auditorium the tickets will be limited to the Seniors and Juniors and if there are any left they will be given to the Sophomores and the Freshmen respectively. There will be cheering at the end of the contest and the more people we have, the better the cheering will sound. Thelma Tipson and Alan Porter are working hard under the expert direction of Miss Beale and the stage is set for victory.

GREAT NECK TRACK MEET

This Saturday is the day for the track meet at Great Neck and we hope to bring home all the honors. There will be the same events that were run off here with the exception of the girl's events which are a new item on the program. Our girls are working hard with Miss Burnett and they are going to show the boys they can do equally well, if not better.

THE PALE GREEN FRESHMAN

Your head looks like a dried out pill.
Your hair is as a starched frill.
You use the paint that doesn't spill.
Oh! say, what is your powder bill?
Your dresses for you are too short.
Your stockings are still shorter.
You are the laughing stock of Port.
You follow Gould and Porter.
You cast upon us evil eyes,
That look like ancient lemon pies.
Oh yes, you're green and dumb and gay,
But you will learn more day by day.
