

The Port Weekly

Volume II

Port Washington High School, Wednesday, June 9, 1926

Number 29

EDITORIAL COMMENT

Large as the Senior class is, the next few years will witness the passing of even larger groups. Our school population is constantly growing far beyond the capacity of the school system and it has been a source of deep sorrow to us that the town has not seen fit to grant us relief. Undeniably the next few years at Port Washington High School will be trying ones for faculty and students alike.

We feel certain that the high standard maintained by Port Washington High School will be noticeably lowered by the menace of overcrowding. In the great city of New York the people censure the high officials for lack of educational facilities but in Port Washington they have only themselves to blame. The people in their school meetings have failed us, their sons and daughters, and the sons and daughters of their fellow townspeople. It is up to you, the classes who will follow us, to fight for yourselves, for your own education against any and all inconveniences and hindrances.

Do not shirk your work when the opportunity presents itself but carry on the record of Port Washington High School. With larger classes, crowded rooms, and shorter periods of study and recitation it will be an easy matter for you to avoid too diligent study. The vocational training classes, long an object of pride in the Port Washington High School, despite their overcrowded condition, will be even more seriously handicapped. The number of students clamoring for entrance to these courses is far too large for the limited space allotted for these studies. But do your best for your high school and for yourself and you can not, will not, fail.

Due to difficult arrangements of schedules, less time than ever before can be devoted to outside activities. Port Washington's athletes, speakers, actors and journalists have all won glory for their Alma Mater. Will you permit our laurels so gloriously won to be torn from their pinnacles? If you are true students of Port Washington High School, the answer is "No." You will overcome all the difficulties you will meet, and you will surmount all obstacles.

The class of 1926 has been touched by these difficulties. We have sensed

Our Last Issue

This is our last issue of the Port Weekly for this term. We have tried our best to make it a success and we leave the decision to you as to whether we have. Financially, we have not succeeded as well as we had hoped to but we are doing our utmost to leave no debts behind us and we need your help in this matter in regard to subscriptions. It would be a difficult matter for us to come to each of you individually, but it will take little effort on your part to come to us.

We shall take this opportunity to express our gratitude to all those who have helped us throughout the term. It is our hope that next year's paper will be a success both financially and otherwise. We, who graduate, shall watch with interest the progress of this paper and if "hopes and wishes of good luck" do any good, we can assure you that your Port Weekly will be a decided success.

The Dramatic Contest Cup

Last Thursday the cast of "Jazz and Minuet" entertained Mr. John R. Koch, President of the N. Y. U. Dramatic Society, at luncheon at the Haunted House. Mr. Koch brought with him to the school, the cup won by our school in the New York University Dramatic Contest. The cup, which is now in the Library, was won for the best presentation of a one-act play and the presentation of "Jazz and Minuet" was considered best. On the cup is inscribed "The Winning Cast," and a list of their names.

Circle Cup

The Circle Cup for scholarship is now in the Library. It has been decided that the person who wins this trophy may keep it for the summer and return it to the school at the opening of the fall term.

Times Contest Medal

Edith Baikie recently received a letter saying that a bronze medal was being forwarded to her in recognition of her participation in the Times Oratorical Contest at Glen Cove.

the conditions in the High School for the past two or three years and we have been trying to overcome them.

We thank our teachers and successors for their generous co-operation in helping us to succeed. Teamwork has brought us through. Why do not the townspeople show teamwork, also? We have done our work; will the town do its part? These questions can be answered by time only. Until then we want our friends of Port Washington High to carry on our work, to successfully defend our honors and we know they will.

High School Commencement

The High School Commencement exercises will take place on Monday evening, June 21, at 8.15 sharp. The Board of Education has invited Dr. Albert E. Wiggam, a celebrated lecturer and author to address the graduating class. His subject will be "The Knock of Opportunity."

The exercises this year will be exceptional in that the graduating class of approximately sixty people is the largest in the history of the school. Due to this fact, it will be impossible to admit any people who do not have invitations. The procedure of former years in regard to speeches, awarding of diplomas, prizes and scholarships will be followed. We are sure that the exercises will be as pleasing as those of other years.

Junior High Exercises

The annual Junior High School Exercises and Exhibit will take place this year in the gymnasium-auditorium of the Flower Hill School on Saturday afternoon, June 19, beginning at 2.30. Saturday morning at 9.00, on the High School grounds, there will be two track meets:

7A and 7B of Flower Hill vs. 7A and 7B of High School, and 8A and 8B of Flower Hill vs. 8A and 8B of High School.

The sum total of both meets will be taken and the school having the most points will be the winner. There will be 12 events, including 6 dashes, relays and the usual field events.

The Exhibit of Drawing, Home-making, and Manual Training will be shown in the lobby of the Flower Hill Gym before the regular exercises in the auditorium, at which time a play "The Unveiling" will be given by members chosen from the 8B classes of Flower Hill and Main Street. After the completion of this part of the program, certificates of promotion to High School will be awarded to some seventy-five pupils of the two schools.

Notice

All library books are to be returned to the library by Friday, June 11th, so that an inventory may be taken. If, in clearing out your desk, you find a library book, please return it, even if you did not take the book from the library.

Through the generosity of Mrs. Frederick C. Hicks of Sands Point, a dozen copies of "The Flag of the United States," by her husband, the late Hon. Frederick C. Hicks, will be given to the school district for the libraries of the Junior and Senior High Schools and the remainder to be given as prizes for excellence in History.

The Port Weekly

Port Defeats Great Neck In Tight Victory, 2-1

In one of the best games played this year the Port nine clinched the right to enter the North Shore League finals by winning over Great Neck in a hard battle at Great Neck last Friday. The score was 2-1. Due to lack of space we can not tell much about the game, but we will give the most important high lights. Our boys played one of the best games of their careers. They outdid all the best Great Neck talent to win the game. Port's first run came in on the prettiest double steal witnessed in these parts in many years. Linkfield's pitching was all that could be desired. Every time that Great Neck threatened, John tightened up and made the boys behave.

Three-base hits—Gilbert. Sacrifice—Gotoutas. Stolen bases—Raff (3), Greet, Evanosky. Hits—off Gotoutas, 5 in 7 innings; Linkfield, 5 in 7 innings. Struck out—by Gotoutas 10, Linkfield 14. Bases on balls—off Linkfield 4. Left on bases—Great Neck 9, Port Washington 4. Umpire—Flint.

Oyster Bay Another Victim, 7-0

Port won its ninth straight victory at Oyster Bay last Friday afternoon by defeating the local nine by a score of 7-0 in a game devoid of interest. Port was at no time in any danger and easily managed to down the locals. Oyster Bay's playing was replete with errors although with their regular moundsman they made a much better showing against us than they did in the first game with us. Linkfield and Evanosky divided the pitching burden for Port.

Mineola Meet

Port's star did not shine so well in the Mineola Meet against the strong competition offered by the South Side schools. Lynbrook won the meet. Lawrence, Freeport, Hempstead, and Port were next. It will be noticed that Port finished ahead of the other North Shore schools.

Lovejoy gained our only first, in the high jump. His work improves daily. Neusel took second in the 440 and none other than Max Bethge finished third in the mile. Audrey Clock took third in the girl's basketball throw.

This meet was the first one in which many of our men took part outside of Port Washington. Considering their inexperience, they did very well. Some of the rules of the meet are different from the local affair and the change was a handicap. For example, the method of taking tries in succession in the shot put hindered Gilliar, who ordinarily can do much better than he did and who was figured to place in the meet. A place for him would have put Port right in the running.

Port Takes First in Great Neck Meet

Port Washington's track team won the Great Neck Invitation Meet at Great Neck last Saturday. The victors had a total of 40 points with Sea Cliff a close contender with 39. Mineola took third with 34 points and Hicksville was next with 30. The other contenders were far in the rear. Sea Cliff's strength in the girls' events made that team a strong rival. Although we took several places in the girls' events our main strength lay in the boys. In the senior broad jump Mickey DeMeo won first with a jump of 18 feet 3 inches. In jumping off a tie for second Simonson of Mineola cleared 18 feet 10 inches too late to win.

- J. Moore—N. Y. U.
- F. Mullon—Business.
- M. Nolan—Business.
- C. Paddock—Washington-Lee.
- P. Parrot—P. G. course in P. W. H. S.
- J. Persson—P. G. course in P. W. H. S.
- W. Persson—Hamilton College.
- A. Petruskie—Business.
- W. Porter—Dartmouth.
- A. Raff—N. Y. U. Law School.
- F. Rose—Middlebury, Vt.
- J. Ryeck—N. Y. U.
- M. Skea—N. Y. Training.
- T. Tipson—Mary Lyon School.

Port Takes Fourth at Farmingdale

Our track team travelled to Farmingdale on Decoration Day and made a very creditable showing in the Nassau-Suffolk Championship Meet. Despite the cold and drizzling weather, our boys garnered 16 points over such opposition as Southampton, Riverhead, Lynbrook, and Freeport.

As was expected, "Lem" Lovejoy took first in the high jump and will represent this district in the State meet at Syracuse this Saturday. Bill Mackie's unexpected competition in this gave us a second place also at 5 feet 7 inches. Bill also took third in the 220 finals.

The running of Neusel and Beach in the 440 and Charley Williamson, in the 880, gained us a few more points and showed that in a few years Port will have quite a group of runners. Max Bethge was our only entry in the mile event and he finished fifth. Although he gained no points for his team he ran a wonderful race and showed what perseverance will do. For the past two years Max has been training for the mile event and his form is improving very rapidly. Max's efforts are without doubt worthy of great commendation.
