Number 25

Circle Initiates Members

Last Wednesday evening, the second floor of the high school was the scene of great doings. Two seniors, Olaf Hammer and John Erickson, and a junior, Doris Chase, were initiated into the Circle. They underwent every kind of gruelling test from jumping blindfold off a cliff (ne'e a desk by an open window) to an attempt at electrocution. John was very dainty and a bit shy with the electricity, while Doris showed the true bravery of a Circle member. It had the effect on Olaf of making him try to lift all the encyclopedias in the library at one time.

After these three new members had been fittingly welcomed into the society, a business meeting was held. A discussion arose as to the condition of the Circle banner and as a result, Dorothy Burgess and Evelyn Avery were appointed as a committee to see about the repairs.

There was a great deal of discussion concerning a Circle assembly program. Plays, tableaux and speeches were suggested, but nothing definite was decided concerning the matter.

Afterwards, refreshments of ice cream and cakes were served and the group dispersed after narrow green ribbons had been handed out to the initiates which they might have been seen wearing on their hair the next day in school.

Speaking Contestants Chosen

Last week the try-outs for the orize speaking contests were held. From the twenty-one candidates, three boys and three girls were chosen by the committee. The successful ones were Mildred Erb, Doris Hiller, Mai Evans, Dave Clarkson, William Newland and John Davis. The local contest will take place on the evening of Friday, May 18th, and the interscholastic on the evening of Friday, May 25th. The interscholastic will be held this year in Port Washington. The schools of Manhasset, Roslyn, Glen Cove, Great Neck, Oyster Bay, Sea Cliff and Port Washington will be represented.

Seniors Plan Revue

The Senior Class has been extremely busy for the last few weeks, preparing their annual show, "The Bits of Hits Revue." There are a number of star acts to be scheduled that will be worthy of twenty-five cents of any man's money.

The date of the show is April 27, this Friday night.

The tickets are on sale and can be bought from any Senior.

A Good Time Was Had By All

Who has not heard of the banquet the Celerity gave Tuesday night at the Wych Wood Tea Room, Great Neck, in honor of the basket-ball teams?

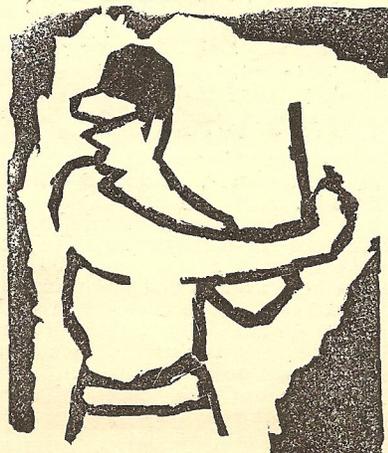

Toastmistress Beulah Guilford announced Mr. Schreiber as the first speaker of the evening. He told of athletic growth and accomplishments noticed in this school the last few years. Mr. Merrill recalled to our minds records made in Port Washington High School by various teams since 1918 and he mentioned a few of the well known players. Captain Marjorie Haynes and Captain Jack Leyden spoke of the teams of this and of last year and the great improvements made upon them.

Mr. Connery needed no introduction. He first repeated a few criticisms heard on the evening train from New York and to our great amusement, told about "The Absent-Mindedness of the German Fliers." His regret at not seeing our faces this year was many times impressed upon his listeners, but he forgot to make mention of our missing him. Mr. Connery enumerated the hardships endured by the coaches during the games and showed why great credit is due them. He also reminded us that the policy of taking and giving is a good one to carry out on the basketball court and in life.

Each of the teams being requested to rise, Bob Hubbard led cheers, the other guests of honor, Miss Burnett, Mr. Utz and Mr. Seeber also were loudly cheered.

The evening, terminated by dancing, was voted a great success and it is hoped this will not be the Celerity's last appearance.

BASEBALL'S BOW

Designed and cut by E. MACKIE

New Track Under Construction

The Campus in the rear of the Flower Hill School is dotted with stakes. These stakes are laid out in the form of a track. There has been considerable rumor about concerning this track, but even the wildest of these fell short of conceiving the thoroughness of its construction. When the track is completed it will be one of the best in the country and the envy of all the neighboring schools.

The Board of Education has awarded the contract for the construction of it to the Rubien Construction Company. This company has built many well known athletic fields, among them, the Yankee Stadium, the Polo Grounds and the Olympic Tract at Antwerp, Belgium.

The track itself will be an oval one, 440 yards in length. It will encircle the present baseball diamond and football field. Along the driveway there will be a straightaway 120 yards long. The oval part of the track will be 16 feet wide and the straightaway 18 feet wide. As a border there will be concrete curbing 4 inches wide which will serve to keep the cinders in place and to serve as boundaries of the track.

The bed of the track will be of sifted cinders mixed with a composition made only by the company. Pits for high jump, broad jump, and shot put, will be built inside the oval and they will be of the very best materials.

This track is a model of the track at Pershing Field in Newark. It is intended that it will be completed by June first. It is an official A. A. U. track.

When it is finished, Port Washington will have almost ideal conditions for all athletics and will have the best facilities for sports on Long Island.

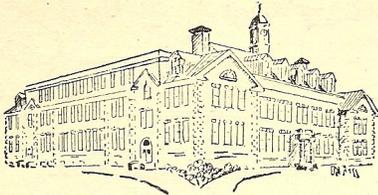

Best Scholars of '28

For the Commencement exercises this year, Donald Read is to be Valedictorian with a four-term average of 88.36%. The Salutatorian is Catherine Tyson, with an average of 86.2%.

The eight others who rank among the highest ten are:

- John Erickson,
- Margaret Dunn,
- Laura Morrison,
- William Burns,
- Thomas Fay,
- Margaret Hiller,
- Helen Leyden.

Editorial Comment

Support Track!

When Spring comes it means the start of the baseball and track seasons. Practises for both are well under way, but in the amount of material there is a marked difference. Baseball has brought forth a great number of fellows, but track is lacking support.

Last year there were about forty fellows on the squad; this year there are only about twenty. A number of fellows who ran in the indoor meets have not shown any interest in the outdoor ones. In the indoor meets the fellows ran against men who were the best; in outdoor meets the competition will be more equal for the schools that we compete against are in our class.

Besides, have we not got a track man who is champion of the state? If Lem has no support he cannot be expected to continue his good work.

A good deal of equipment has been purchased. The school has gone forward with plans to make this season a success with the best of outfitting and yet a number of the students with ability are not willing to do their part and show their appreciation by using this equipment.

COME ON FELLOWS! LET'S
MAKE THIS TRACK SEASON A
SUCCESS!

La Reunion de Paques du Cercle Francais

La reunion du Cercle francais a eu lieu le 5 avril dans la salle de l'Ecole Primaire. La partie recreative etait precedee d'une breve seance d'affaires au cours de laquelle les membres ont vote l'adoption de Reglements du Cercle. C'etait la reunion de Paques et les membres se sont divertis des jeux de Paques. On y a cherche des oeufs de Paques qui avaient ete mis autour de la salle-sur le piano, desous les bancs, dans la maisonette de poupee epingles aux draperies—partout, aux endroits caches; Mlle. Birkel en a gagne le prix. Au jeu de "Cochon", Mlle. Keshishian a gagne le prix un petit cochon de chocolat. Au "jeu de gages" ou l'on etait defendu de parler anglais et le coupable a du "payer l'amende", Mlle. Rice a gagne comme prix le roman "La Vie d'un Simple". Elle a eu le plus grand nombre des oeufs a la fin de la reunion. Un autre jeu dont les etudiants se sont jouis etait celui de "jeu de mots". Chaque membre a fait une liste des mots et celui qui a trouve le premier dans une phrase francaise, le plus grand nombre de mots possibles, a recu aussi un prix. On a servi comme rafraichissements des glaces et des gateaux. La seance etait levee a cinq heures et demie et tout le monde a declare que la reunion avait eu grand succes.

Jr. High Minstrel a Success

Last Wednesday afternoon much business was suspended for the large part of the faculty were attending the Junior High Minstrel at that time. Under the direction of Miss Johnson, a group of Jr. High pupils presented a minstrel show worthy of much praise.

So great was the applause of all present that many acts were repeated. After many good selections by individuals and groups the show ended with a grand ensemble.

Poster Contest to Be Held

A State poster contest, closing June 1, 1928, is to be held for High School students and Normal School art classes outside of New York City. The posters are to encourage and form a part of a State-wide anti-diphtheria campaign.

The state awards a \$350 scholarship at the College of "Fine Arts," Syracuse University as 1st prize, \$50 and \$15 in gold as 2nd and 3rd prizes.

School prizes consist of \$10 in gold, as 1st prize and "Essentials of Poster Design" or a year's subscription to a poster magazine as 2nd prize.

Pupils in the high school, whether taking art courses or not are urged to enter this contest, and should go to the art room to enroll, any day this week before 9 o'clock.

Fratry to Fete Cast

The last regular meeting of the Fratry was held on Thursday, April 19. At this meeting the members decided to hold the Fratry Dance and Banquet for the cast of the recent minstrel, on Wednesday, May 2, at the Glen Cove Gardens. This affair will be strictly informal. During the evening a marvelous chicken dinner will be served. This will be followed by dancing, for which a good, peppy orchestra has been engaged.

After this question had been settled the members were so enthused over the decision that only a small amount of business followed.

A few brief reports were made, after which, Davis Hegeman was voted in as a new Fratry member. Next Hamm reported that the Fratry members will soon be wearing their new pins, which have now been ordered for several weeks.

Finally Mr. Seeber urged the members of the Fratry to take care of the sale of the tickets for the Annual Invitation Track Meet, which will take place May 5. The members hope that the students will co-operate in their efforts to make this year's ticket sale the greatest. Tickets will be on sale next week.

Celerity Planned for Banquet

The last regular meeting of the Celerity was given over entirely to the making of plans for the banquet given in honor of the basket-ball teams. The committees were: Seating committee, Laura Morrison, Jacqueline Atwood, Kathleen Grady; Committee for choosing time and place, Beulah Guilford, Mary O'Neill, Rose MacDermid. The secretary and Dorothy Williamson were appointed to see to it that each of the guests was invited.

After the business meeting, refreshments were served by Mildred Erb, Mildred Ciminera, Kathleen Grady and Margaret Herbert.

In the absence of the Celerity faculty advisor, Miss Chisholm, Mrs. Langdon acted as chaperone. We wish to thank her for doing this, as otherwise this very important meeting could not have been held.

An Advertisement

"When I soaked that homer out of
the park,
And thereby busted my home-run
mark,

And struck a million ball-fans dumb,
My jaws were working on Googles
Gum.

It's Googles Gum that I always chew
When I have some "homer" work to
do,

For Googles Gum don't bite or sting,
And never impairs my home-run
swing.

I am glad to say this is gospel truth,
About Googles Gum" declares big
Babe Ruth.

The Port Weekly

Evanosky Pitches One-Hit No-Run Game

Port had no trouble in winning the opening game from Sea Cliff last Friday on the Flower Hill field. A large crowd was present which slowly dwindled when it was seen that the game would be one-sided. The Port batters enjoyed a field day, getting 18 hits which, with eight errors and three bases on balls, netted 18 runs. Port scored in every inning and each of the regulars got at least one hit. Charley Evanosky limited Sea Cliff to one hit, a single to center by Zipperian in the sixth inning. Charley had lots of speed and an assortment of curves which made the Sea Cliff batters look helpless. He fanned twelve batters and of the first ten men to face him, he struck out eight.

Leyden and Moore Get Homers

Moore, O'Neill, Leyden and Newland led the attack with three hits each. Rat Moore and Jack Leyden got home runs, while Bill Newland and Jack had a perfect day at bat. Port got off to a good start and had five runs across the plate before Sea Cliff got the first man out. Moore singled to center and Zipperian booted Evanosky's grounder. Charley stole second and he and Moore came home on O'Neill's double. Jack Leyden scored O'Neill with a triple to left field and came in himself on a single by Newland. Two errors in succession filled the bases and a pass forced another run before the inning was over.

Port collected six more runs in the second. O'Neill singled, but was forced by Leyden. Newland beat out a hit by Zipperian. Smith's infield out-scored Leyden, and Hegeman made a two-base muff of Terrell's pop fly. Erb singled and took second when the center fielder let the ball go between his legs. Gilbert singled, scoring Erb. Rat Moore socked a home run far over the right fielder's head. The ball bounced on top of a car parked in the driveway, rolled off and fell beneath the grating which protects the basement windows of the school.

Leyden's homer came in the fifth inning with the bases empty. It was probably the longest drive ever made on the Flower Hill field. The ball went on a line into deep center and rolled all the way to the fence at the other end of the school grounds. In the sixth inning, Jack connected solidly again, but the center fielder, who was playing very far out, managed to gather it in.

Three Sea Cliff threats were stopped by quick pegs to first. Two Sea Cliff runners were caught napping on pegs from O'Neill to Leyden and a third from Evanosky to Leyden resulted in a out-out.

Phil Seraphine and Tommy Leyden got into their first baseball game as members of the High School team. Phil knocked two men home with a single in the fifth and handled two fielding chances in faultless style. Tommy walked once and got on base a second time because of an error.

Next Stop—Manhasset

Next Friday, Mr. Seeber and the team will lead the Port cohorts on the First Crusade of the season to Manhasset. The battle will start around four o'clock, and end (we hope) when Port gets tired of knocking the ball around the lot. In spite of two rather easy victories over the Manhasset team last year, Port will not be over-confident. The scrappy Manhasset bunch are fond of springing surprises against Port. The defeat received at their hands in the last football game will prevent Port from becoming too cocky for many years to come.

Charlie Evanosky will face Diener on the pitcher's mound. This same Diener, it will be remembered, was responsible for all of Manhasset's runs in last year's game when he hit a home run in the ninth inning with two of his team-mates on base.

The baseball season is now in full swing with the difficult part of the schedule near at hand. After the Manhasset game, there will be two contests each week. The team needs your support now more than ever; so let's fill the 3:45 and have a large crowd at the game to cheer the team to victory.

Port needed two runs in the last inning to equal the score made against Sea Cliff last year. They got them on singles by Evanosky and O'Neill, a sacrifice fly by Leyden, and an error by Whitenack.

Exchange Jots

The Sea Cliff Girls' Basketball team again won the cup by defeating Roslyn. The Sea Cliff girls beat Roslyn last year for the championship, and they are to be congratulated for their two successful seasons on the basketball court.

Collinwood's eighth annual gym demonstration, one of the outstanding events of the semester, will climax the work of the physical training department, when junior and senior pupils participate in a fourteen-act program of three performances. All forms of gym work practised daily by the students will be demonstrated.

Lem Wins High Jump at Baker Field

Last Saturday in the Columbia Interscholastic Track Meet at Baker Field, Lem Lovejoy won the high jump with a leap of 5 feet 11½ inches. In doing this he defeated the champion of New Jersey, Joyce of Poly Prep, and Coon of Montclair who dropped out together at 5 feet 10½. Muslin, of Stuyvesant, whose indoor mark Lovejoy broke last month in the Harvard meet, again did not compete.

The failure to break the record may easily be attributed to the cold and windy weather. In the long waits between jumps, Lem sat on the bench bundled up in sweaters. Lovejoy came within an ace of breaking the record. With the bar at 6 feet, 3½ inches, he just brushed the stick enough to make it wobble off. Tom Williamson missed at 5 feet 3.

Six Others Compete

Six other members of the track team competed, and although they did not place, the same race would be almost sure to win a place in an invitation meet. Jack Leyden finished fourth in his heat of the 220 yard dash. Neusel and Miller got off to a slow start in the 440, but made up a lot of ground near the finish. Doug Crickard of Lynbrook finished second in this event. Jake Rogo was fifth in his heat of the 220 yard low hurdles. In the novice 220, Art Allen finished sixth and in the 100, Chester Cipriani finished sixth. Tom Williamsen got off to a fine start in the mile, but the pace was very fast and he finished about in the middle of the pack. Marcoe Kellogg, track star of Flushing High, won the event.

The meet was won by Schenectady High. Lem's five points gave Port a tie for tenth place in the meet.

Next Saturday the team may make the trip to Princeton in the school bus to compete in the Princeton meet.

Port Plays Glen Cove

Glen Cove, Port's old rival in football has been added to Port's list of baseball opponents. Next Tuesday the two teams will meet at Glen Cove for the first time. Although Glen Cove has had a team for only the last couple of years, they have developed a very strong team. On April 20, they upset the dope and gave Great Neck an 11-4 beating.

A Maniac?

He tears his hair in grim despair;
He wrings his hands in pain;
He leaps up in the air,
And then straightway comes down again.
Yet grieve not for his woeful lot,
And of him have no fears;
A maniac? Why, no, he's not!
He simply leads our cheers.

Honor Roll For March

Thank You

The girls of the basketball team wish to express their sincere appreciation and thanks for the banquet given to them and the boys' team Tuesday evening by the Celerity. They wish to say further, when it comes to leaving a fine dinner and a good time, the Celerity (and the Fraternity, as shown by the banquet last year) are certainly up to scratch.

The Mamaroneck High School basketball team concluded the season in second place in the Westchester County Basketball League, with a total of eight games won and six lost out of a total of fourteen contests played in league competition.

Former Student Wins Play Contest

A health play, "The Starter," written by Miss Betty Cornell of the West Springfield Senior High School, formerly of Port, was accepted by state officials in a state competition, and will be presented at the Copley Theatre in Boston on April 27. Every High school in the state had the opportunity to submit plays for this contest, and Betty's creation was chosen as one of three from hundreds submitted.

Members of the senior class of West Springfield High School will present the play in Boston. Betty Cornell's manuscript has a chance of being selected for national production later. Betty was formerly a student of Port, and a member of the "Port Weekly" staff, but moved with her family to West Springfield last summer. We extend hearty congratulations to Betty.

What Others Say About Us

The Tattler, Glen Cove, L. I.:—"Your paper is interesting. The cuts on the front page were good."

The Aloenim, Mineola, L. I.:—"Your regents' honor marks are to be praised. The play, 'The Old Soak' was well described. Your humor is also very good."
