Dual Meet With Great Neck

Great Neck Expects to Win

Great Neck will get another crack at Port on the track next Saturday when a dual meet is scheduled to be held at Flower Hill. Great Neck keeps it no secret that she expects to take Port into camp. Last week in the North Shore meet, she came within 3 points of doing it. There will be no Junior events, which were Port's strongest forte last Saturday.

On the other hand Port seems to have a better balanced team which will show to better advantage in a dual meet than in an invitation meet. There are several Port boys who did not show up well last Saturday. Much the same state of affairs existed last year when Great Neck drew near Port in the invitation meet but was soundly licked in a dual meet. It ought to be a nip and tuck battle.

LOCAL SPEAKING

CONTEST MAY 16

Those in charge of the local speaking contest have decided that the local tryouts will be held Thursday, May 16, at 8:00 in the auditorium. At that time a boy and a girl will be chosen to represent Port in the Interscholastic Speaking Contest at Oyster Bay on May 24.

Each person in the contest must learn their piece and then make arrangements to have Miss Hawthorne help you in your interpretation. The selection must be learned before you can expect to be coached along.

As the situation is now there are six girls and four boys still entered. With a ten minute speech for each person and not counting intermissions the locals will take two hours at the most.

This seems to be absolutely the last year that Port will stay in such a contest and the students must make it a climax to the eighteen years of Interscholastic Speaking.

Many Students at Concert

Last Friday evening about 60 boys from Stevens' Tech gave a concert and dance in Port. Many students from school attended and voted it a success. Everyone thought that the orchestra was exceptionally good.

Saturday evening a number of students attended a dance at the Knickerbocker Yacht Club. The evening was called "Ten Nights in a Bar-Room." The decorations were extremely amusing and everyone enjoyed the dancing.

Two Page Issue of "Port Weekly"

"The Port Weekly" wishes to announce that starting with this issue there will be only two page issues for the rest of this term. The financial support of the students has been so poor that the paper has not been running on a paying basis since September.

The only reason that "The Port Weekly" will keep on issuing for the rest of the year is that there are a few faithful students who have subscribed.

And furthermore, if a certain percentage of the students do not subscribe to "The Port Weekly" next fall there will be no school publication issued. Incidentally, no half year subscriptions will be given out.

GYM PROGRAM

IN ASSEMBLY

Last Friday the Gym classes took over the assembly program. Mr. Merrill gave medals to C. Cipriani, E. Miller, C. Newman and C. Williamson. Then Lysbeth Turkington, Charlotte Bohn, Kathryn Krage, Jane Bird, Lou Dell and Constance Caldwell gave an exhibition of reed dancing. The saddle work which followed was well done by both boys and girls. A clever act of handball was given by Clara Ciminera and Natalie Kalonosky with Ruth Kidney and Margaret Russell. With this group Dorothy Williamson did fine work with dumbbells.

Of the boys Vincent Moore showed his skill by performing the marvelous feat of leaping over all of his buddies. We wonder Vinny is as well liked as he is when he "walks over" everybody so!

The whole program, although most unusual, was well received and thoroughly enjoyed by the school.

Word was received from Lydia Gould last week-end. She misses us all and will return as soon as possible. Oh, Jack!

Senior Class Honors Announced

Marjorie Haynes

Valedictorian

Every year there is much speculation as to who among the good students in the Senior class will win the honor of being the valedictorian and salutatorian. The valedictorian in this school is that member of the graduating class who has earned the highest average up to and including the January marks in their Senior year and the salutatorian has the next highest average.

The necessary calculations have been made for the present Senior class and the honors decided as follows:

Valedictorian, Marjorie Haynes; 93.3 per cent average.

Salutatorian, Milton Ryeck; 92.3 per cent average.

There are ten members of the class whose averages are over 85 per cent. The eight who complete this list are Julia Hopkins, Evelyn Avery, Wilfred Sensemann, Lois Lewthwaite, Charles Bell, David Lippert, Dorothy Burgess, and Elizabeth Williams.

FRATRY ELECTS

ITS OFFICERS

Last Thursday evening the Fraternity held a short but rather important meeting.

The most important business was the election of officers. The following persons were elected to assume the duties of office:

President M. Ryeck
Vice-President H. Gilbert
Corresponding Secy.....R. Smith
Milton Ryeck immediately took the floor and chose Eddie Gould athletic chairman of the club.

May 18th was set as the day on which the club will present its annual show. Tickets for this will soon be in circulation.

After the meeting, all the members as well as outside talent secured for the show attended the rehearsal held in the auditorium.

Tennis Meeting Held

Monday the boys interested in high school tennis turned out for a short meeting in the gym. Among those present were Roger Enscoe, Ed Miller, Thomas Newman, and Chester Cipriani, all very good players. It was decided to try and get the use of Manhasset's courts for eliminations Wednesday. Those who win Wednesday will represent Port at Great Neck Saturday. Good luck to you.

PORT WINS NORTH SHORE MEET, GREAT NECK IS CLOSE SECOND

Port Scores 41 1-4,

Great Neck 38 1-4

The first North Shore meet was held at the Flower Hill field last Saturday and will go down in the books as a victory for Port Washington. Port had no easy time of it, by any means, and did not clinch first place until the next to the last event, the Junior relay. Great Neck was strong in the last few events and closed a big gap. Port's final total was 41 1-4, Great Neck's 38 1-4. Next came Sea Cliff with 25, Hicksville 21 1-2, Westbury 18, Oyster Bay 13 1-4, Manhasset 9, Roslyn 6, and Mineola 3 3-4.

More than half of Port's points were scored in the Junior events. Chester Cipriani galloped away with the 100-yard dash and also copped the running broad jump. Bill Sellers took a fourth in the century. Hillard Swede took second in the 8-pound shot put and tied for third in the high jump. Joe Ciminera added 2 points with a third place in the 220.

The Junior half mile relay, the race that won the meet, was a thriller from start to finish. Sellers gave Port a lead at the start but Jenkins was overhauled by a Hicksville runner. Joe Ciminera cut down most of the lead and left it up to "Art" Allen to do the rest. Art had been a disappointment in the 220 but he certainly did run in the relay. He passed the Hicksville anchor man going around the turn and came in the winner by a good 5 yards. The Senior relay team made an extra 2 points by taking third.

Port did not fare so well in the events for boys over 120 pounds. Ewanosky earned a point in the shot put and Newman in the 220. Bauer made 3-4 of a point in the high jump.

The remarkable time of 4 minutes, 59 3-10 seconds was made in the mile run. Tom Williamsen was expected to walk away with this event but two runners stuck to his heels and challenged him in the last lap. They ran three abreast down the back stretch. Beam, the Sea Cliff entry, had the most strength in reserve and finished in front. Williamsen faltered in the

Port Loses To Great Neck, 11-4

The Port baseball team lost its second straight game last Friday, losing to Great Neck on the Main Street field by a score of 11-4. Two bad innings caused the defeat. Cletus Polk pitched well for the first part of the game but weakened in the sixth and was replaced by Raymond Smith. Clark went the route for the visitors and helped to win his own game with a home run over the left field fence with one on base.

The Port team fell on Clark in the first as if it meant to make short work of him. Stanley Kurejwo beat out a roller along the third base line; Hugh Gilbert singled, and Leyden walked to fill the bases with none out. Raymond Smith grounded to Stephens, who threw to first. When Ninesling dropped the ball, Smitty was safe. Phil Seraphine's line double over second scored two.

Clark improved as the game progressed. Port had men on bases in each inning but could not bring them in. Great Neck made threatening gestures in the first and fourth but was stopped short by a pair of fine double plays started by Stanley Kurejwo. The entire team, however, blew up in the fifth. Seagroats doubled and Clark hit his homer. A double, a walk, an error and a hit batsman produced 4 runs. Smith relieved Polk. Another run scored when he and Seraphine both went after the same pop fly. Neither of them caught it.

Great Neck scored 6 more in the next frame on three hits and 4 bad errors. Port's last run came in the sixth on a walk, an error and a 2-bagger by Tom Leyden.

Our old friend Frank Jacobus was out for the week-end. He drove out in his new Nash. We all enjoyed seeing him.
