FIVE CENTS

Ruth Jorgensen Announced As Valedictorian, Salvatore Sorice Receives Salutatorian Honors

This year Ruth Jorgensen and Salvatore Sorice were chosen Valedictorian and Salutatorian respectively. In gaining this high scholastic honor, Ruth recorded an average of 1.07. Salvatore had a fine all-around average of 1.07. These averages are based on four years of scholastic achievement.

Ruth Jorgensen, beside leading her graduating class scholastically, has been an active participant in many school activities. She is president of the Spanish Club, a member of the Clio Circle and O. G. A., and an active participant in archery and basketball.

For Salvatore, better known as "Soot," this recognition culminates four years of hard study. Despite his classroom brilliance, Salvatore has found time to participate in outside activities. He is a member of the Clio, Retort, Circle and the high school basketball squad. Upon graduation "Soot" plans to attend the University of Michigan.

To these two students who have worked so diligently and faithfully to achieve this success, we of the Post Weekly extend our heartiest congratulations. It is an honor to be justly proud of.

Retort Announces Science Exhibit

The Retort wishes to announce through its advisor, Mr. Pickett that on April 1, 2, and 3 there will be the Annual Science Exhibit at Adelphi College in Garden City.

Models will portray instruments and processes used in Modern Industry.

The displays will involve physics, Zoology, chemistry, biology, and physiology.

At scheduled intervals guides will lead parties explaining each display.

On all three days the exhibit will be open from 10 A. M. to 5 P. M. exception April 2 when it will also be open from 7 P. M. to 11 P. M.

To make special arrangements and secure full admission tickets contact Miss Slote at the College.

Hebert Irwin Jr., Post Graduate, Reported Missing by U. S. Navy

Word has been received from the Navy Department by Mr. and Mrs. Herbert M. Irwin, of 8 Davis Road, that their son, Herbert M. Irwin, Jr., a Lieutenant Senior Grade in the United States Navy, has been reported missing. He was on convoy duty in the North Atlantic.

Lieutenant Irwin was graduated from the Port Washington Senior High School in 1933. He attended Harvard and the University of Illinois, returning again to Harvard where he was awarded his doctor's degree in Chemistry.

Prior to his entrance upon active duty in the Navy last fall, he was an instructor in Mathematics at the U. S. Naval Academy at Annapolis, Md.

1943 Port Light To Be Out June 1

After a furious session all last Sunday afternoon, the Port Light Copy has been sent to the printer. And, because of this promptness, we are assured that the book will be out and ready for signing on June 1.

The only thing left to do is the arrangement of the Senior section since the senior proofs have not been returned at this date, and the Senior activity section has yet to be compiled.

The co-editors, Mary Aspinwall and Marilyn Baum, have been chosen and Robert I. Parkes is this year's business manager. The new system for choosing the official was one based on the amount of work and the continuance of interest that the staff members contributed to the volume.

Band Concert to Be Previewed April 2

On April 2 the assembly program will be a preview of the Annual concert. They will play a few of the selections that will be heard in the concert.

Red Domino to See 'Eve of St. Mark'

The Red Domino will see "The Eve of St. Mark" on their annual trip to the theatre. Tickets have been obtained for the matinee of Wednesday, April 21, during vacation, and are available to the Red Domino members now. The play, by Maxwell Anderson, has been hailed as the finest war play of World War II, and is the leading candidate for the Pulitzer Prize.

Mr. Ehre has been searching for an Egyptian mummy case, to be used prominently in his Spring production of "The Man Who Came to Dinner." He has located one in Pennsylvania, but nothing is definite as yet. Anyone who knows anyone who is related to anyone who is sleeping or buried in one of these priceless objects, notify Mr. Ehre immediately. Your help will be appreciated.

'Flying Airs' Has Miss Otis as Sponsor

A new club has been added to Port High's many extra-curricular activities. This club—The Flying Airs—is under the sponsorship of Miss Otis. It is composed of girls interested in the air.

The new officers elected at the last meeting were President, Elizabeth Bitsoli; Vice President, Anita Johnson; Secretary-Treasurer, Loretta Cappy.

The interests of the members are varied, but these future aviatrixes plan to work on scale modeling, contours and structure of planes. Later elementary aerodynamics will be pursued.

The members are Elizabeth Bitsoli, Ann de Meo, Grace Bitterlin, Anita Johnson, Julia Caruso, Loretta Cappy.

Retort to Support Inter-Club Dance

At the Retort meeting last Wednesday, March 10, the members voted to support other clubs, to insure the success of the Red Cross Dance.

Victory Gardens and soil tests were discussed. Miss Hallock is to be the head of the taking of tests. Those who will assist her during the tests are: Bob Wicks, Bob Tench, Sherburne Hill, Dorothy Dansgaard, Bob Mech, Peggy Toensfeldt, Francis Kiernan, Dave Haggarty, Peter Oram, Ned Bullis and Dorothy Fisher.

Bob Tench's talk on "Bugs" was postponed till the next meeting.

Clubs Join for Victory Dance

The opportunity for all to help one of America's most worthy causes has come to our school. Through the co-operation of all the clubs in this school, there will be featured an Inter-Club Dance. This is the second time that such a novel feature has been presented. All proceeds of the dance will go to the Red Cross, which needs your support this year more than ever. It is your patriotic duty to make this dance a success.

Air Scout Program Boon to Youth

The new Air Scout program will be of great value to all who are interested in aviation. It will be especially valuable to those around the age of 17 because they will be drafted soon, and in this course they can gain some useful knowledge before they enter the armed forces.

The first Air Scout meeting was March 5. No definite day has been set for meeting night, but if you contact some of your friends they will be glad to tell you.

Work projects are already being started. The first project is to build a model and the next will be a compass. Although the course includes a lot of work, there will be fun also.

Air Spotters Need You

Through the many appeals issued by Mr. Brown, few students have responded to his plea for additional Air Raid Spotters. It is very apparent that the students in this school do not realize the importance of such work. Air raid spotting is one of the most vital parts of our national defense. The new additional students who went out for this extra duty are not only loyal American boys and girls but boys and girls that could save the lives of the whole community. Show us you can devote some extra time to this worth-while and patriotic duty. Sign up now. We need boys.

"BUY A JEEP"

The G. O. is going to collect \$750 before this term is over to buy a jeep. To collect this money, the sale of war stamps must be doubled to \$75 a week. No more pledges will be taken, but everybody should save stamps. Stamps will be sold at afternoon dances now.

Students Needed For Farm Program

The Farm program has room for more candidates. About seven boys and thirteen girls are still needed to fill the quota. So come on kids, sign up, so that Mr. Scherer can send twenty-five boys and twenty-five girls.

The girls and boys will be sent to the State Institute of Applied Agriculture at Farmingdale. The boys will go April 25 and stay through May 9 and the girls will go May 9 and stay through May 21. The cost is \$1 a day including room and board.

The students that have signed up have received instructions as to what they will wear and the services expected of them.

Local House Mother

A mother from Port Washington has agreed to be the house mother during the time the students will be there.

The boys that have signed up are: Edwin Svendsen, Lindy Gulbrandsen, Einar Karlsen, Robert Neulist, Robert Fried, Leon Pliskin, Daniel Ely, Hudson Hagglund, Creighton Cruse, Cominos Geronicolas, Terry Cowely, Arthur Villard, Kenneth Hobbie, Ralph Cordova, Eugene Price, Roy Schauer, Paul Macauley, Jack Donaldson and Robert Dickson.

The girls are: Molly Mottola, Peggy Toensfeldt, Helen Bard, Dorothy Fisher, Betty Thomas, June Miller, Allison Osborne, Jean Nelson, Esther Cramblet and Dorothy Fletcher.

Chess Tournament Well on Way

The tournament started by the chess club has been going more than a week now. The groups of players are classified. In the 1st class are Nick Cassavettas, Sam Finley, William Woodson, William Simon.

In the 2nd class are John Cassavettas, Charles Rice, Leon Pliskin, Bob Tench, Alden Day and Paul Macaulay.

In the 3rd class are Lynn Loeser, "Beansie" Dean, Larry Singer, Roy Larsen, Frank Allen, Donald Wysong.

In the 4th class are Ray Drake, Bob Aitken, Pete Moore, Johnathan Benedict, and Miss Otis. In the beginner's class are William Peper, James Nolan, Joan Borer, Grace Bitterlin, Jacques Mayer, Peggy Dendievel, Helen Bard, Steve Bomer, Robert Vargas, Bob Mesch, Maris Brown, Helen Forjone, Arthur Villard.

If you play a person one class below you lose a knight, two classes you lose a knight and a bishop, three classes you lose a knight and a rook, four classes you lose a knight, a bishop and a rook.

At present Bill Simon is by far in the lead because he has lost no games. Following him are Charles Rice and William Woodson. The first game is scheduled; after you have played the scheduled game, you are at liberty to pick your opponent. Anyone can join the tournament.

Defense Courses To Be Offered

There will be another Junior Defense Course sometime in June similar to the one that is going on now. The courses being taught are Riveting and Sheet Metal Work. Port Band Receives Legion Praise

The Following is a letter received by Mr. Schreiber praising the band for its trip to Kings Park Veteran Hospital which the Port Weekly wants to print in its entirety.

Sunday evening
March 7, 1943

Paul Schreiber, Sup't of Schools
Port Washington, New York
Dear Mr. Schreiber:

It's Sunday evening and the annual visit of the local Legion Post to the veterans at Kings Park is history.

In looking back over the events of the past few hours, I'm moved to write and thank you and William Merrill and George Christopher for getting the High School Band to come along with us and play for the patients. They were indeed an outstanding acquisition to our party, and for the Legion I want to thank you all—and especially the kids, for their grand and inspiring performance. We of the Legion were grateful to them and we were proud of them for the fine unselfish thing they did.

Those boys and girls could very well have begged off and pleaded other duties and interests and been excused, but they chose to give up the day to entertaining a group of former soldiers and sailors who are now destitute and practically without friend, and we of the Legion can't say enough in praise of them for their sacrifice.

As for their conduct at the hospital under the leadership of George Christopher, we can only say that they were well.

They played beautifully, they acted like the young ladies and gentlemen that they are and they were a credit to their families, teachers and their school in every sense of the word.

I think one of the finest tributes that can be paid them was the hearty applause of the patients as they left for recess, when they returned, and when they finally retired after turning in a fine program of fine music ofr an hour and a half.

I personally watched the faces of the audience and it thrilled me a great deal to notice that many of those men who appeared despirited and dejected in the early

Army to Inaugurate A-12 Program

Information received from the Regional Director of the Army and Navy College Training Program on March 15 indicates that the Army is to make use of the same tests as the Navy to determine the persons to be assigned to their new A-12 program. The tests are to be given at the local high school from 9:00 to 11:00 on Friday, April 2.

The army states that the purpose of these tests, so far as the army is concerned will be:

a. Selection of students for college training under the Army Specialized Training Program.

b. Classification of others in respect to trainability.

The purpose of the program is to train, at the college level, men in technical and professional skills required by the Army. Engineers, doctor psychologists, linguists, physicists, mathematicians, and tstudents of foreign areas are needed in large number, and the Army has established this program in those colleges and universities where such training can best be given.

The eligibility of an individual for the Army Specialized Training Program is not fully established until he has completed the 12 or 13 weeks of basic military training. Success on the tests on April 2 will provide a certificate of qualification which will assure his assignment to a Training Center as a potential trainee. If he proves to be potential officer candidate material, he will be assigned to a Training Unit as an enlisted man on active duty, receiving the pay of a private seventh grade, to pursue a curriculum of study for which he has shown himself qualified.

The following persons are eligible to apply for the test: High School Seniors and Graduates, and College Students who will have reached their 17th but not their 22nd birthdays by July 1, 1943.

To be eligible for Officer's Candidate School of the Army Specialized Training Program a man must be morally and physically qualified, and must present evidence of potential officer qualifications, including appearance and scholarship records.

Men now enlisted in any branch of the armed forces are not eligible to take this test.

It is expected that "Admission and Identification Forms for the Army College Training Program Test (A-12) will be received at the local high school and any qualified persons may obtain these forms by calling at the guidance office in the Senior High School. One of the forms must be filled out in advance by each candidate and must be approved by the high school principal. The completed form is required for admission to the test.

It should be noted that the local school is now prepared to issue Admission and Identification Forms for both the Navy (V-12) and the Army (A-12) Training Program Tests. These tests are identical and will be given at the high school (in room 202) from 9:00 to 11:00 on Friday morning, April 2, 1943, to those candidates who bring with them their completed Admission and Identification Forms.

part of the program were smiling toward the end of the entertainment.

Please thank all concerned for the part they played in spreading a little sunshine where it is sorely needed.

Yours sincerely,

Francis F. Lisiecki
Commander, American Legion

Wednesday afternoon the annual Varsity Faculty basketball game was held along with many other activities on the same program. The undefeated Fraternity basketball team played the highly touted second team in the preliminary game. None of the results were known at this writing.

One person who deserves much credit for the success of Port's winter sports season is Mr. Paul Schmitz. Mr. Schmitz is a new teacher in Port and this year officiated all the home junior varsity games. Taking into consideration the fact that he was alone in most games, we should say that he did a very good job at refereeing. There is a possibility at the present that Mr. Schmitz may become coach of the Manhasset High School basketball team during the coming campaign. We wish Mr. Schmitz luck.

In a few weeks, Coach Carl Seeber will assemble together his baseball players to train for a wartime schedule. Because of transportation difficulties, the schedule has been limited to games with Roslyn, Manhasset, and Great Neck. Six games will be played in all.

Many members of last year's squad are returning this year. All of last season's outfield of Bob Aitken, Bob Mesch, and Frank Cipriano will be back. The infield will also have many veterans returning. George Younger will be at the initial sack and Buddy Veit at the keystone position. Last year's subs, Ted Parmelee and Emil Wenner can fill in at the "hot corner" and short stop respectively. The only serious problem to coach Seeber is the pitching staff. Lunde, Greco, and McGrane have all left school or are ineligible. Karlon, "Mutt" DeMeo of last year's junior high team and a few others are at the present prospective pitchers.

As many probably already know, the Westbury team defeated Glen Cove in the North Shore Championship. Charlie Sumzick was closely guarded all night and he only managed to score seven points. The final score read, Westbury, 21; Glen Cove, 12.

New Cafeteria System To Be Adopted

From Mr. Merrill's office there came an announcement this week that a new system for the Cafeteria is to be inaugurated. Mr. Merrill appointed three girls to supervise the three lunch periods. They are to be Francis Shaver, Jessie Pearson, Betty Purdy.

GIRLS' SPORTS

By CAROL NEUMANN

On Thursday, March 11, Friends Academy came to Port to play our annual basketball game. And what a game! That fast forward combination of Connie Campbell, Billie Campbell and Rebena Natale proved to much for our opponents.

Every time the ball reached their hand—bongo—a basket. Between them the score was 48-41, in our favor. As you can see the game was nip and tuck all the time. Marilyn Glaser, Clair Gibson, Porothea Farrelly and Jacqueline Fenton divided the honors for super guarding and defensive playing.

The second team also was victorious with a score of 24 to 16. The enjoyment and interest in both games was shared by both teams, and the forwards Betty Antonelli, Ruth Howard, Barbara Goodwin, "Corky" Formikilla, Inger Molmen played very well. Those playing guards were Mary Nolan, June Miller, Joan Borer, Madeline Shad and Carol Neumann.

A very full week has been planned consisting of games between Port Washington and Manhasset on Tuesday; and then with Junior High on Thursday.

Starting next week will be Ping Pong and Badminton. A "round robin" play will be organized which gives every body an equal chance to participate. Be sure to sign up and join the fun.

'Richard III' Has Student Tickets

Students and faculty will have an opportunity to purchase seats at special reduced rates for "Richard III," one of Shakespeare's most exciting dramas. It opens at the Forrest Theatre, 230 West 49 Street, New York City, on March 24. George Coulouris, of Mercury Theatre and "Watch on the Rhine" fame, will play the title role.

With the student-faculty discount cards, which will be available after March 15 at English, Speech or Drama Departments, orchestra tickets will be reduced to \$1.80; \$2.20 mezzanine tickets to \$1.50; \$1.65 tickets to \$1.15 and \$1.10 balcony tickets to 90c, when presented at the box office of the Forrest Theatre. All prices include government tax.

The text of "Richard III" has been slightly cut of fit more closely in to the pattern of the modern theatre. The production will emphasize all the thrilling entertainment elements Shakespeare included in the melodrama, which depicts the desperate efforts of one man to attain the throne of England.

A preview for New York City high school students, arranged by the School and Theatre Committee of the New York City Association of Teachers of English, will be held on Sunday afternoon, March 21. Another student preview at reduced prices is scheduled for Saturday evening, March 20.

Sculptress Speaks To Assembly

Mrs. Doris Eaton Mason, the sculptress who has traveled America for 3 years from Washington, D. C. to Seattle Washington, stopped at our school long enough to give a talk about sculpturing. She opened the program by showing us a head of a Roslyn school boy that she had done a few hours before.

During her talk Mrs. Mason stressed the use of imagination in sculpturing. Mrs. Mason also narrated a few interesting stories.
