Jeep to Furnish Social Transport

By RAEMARY CHASE

FLASH! On Friday nights the Jeep will take those that make reservations on Monday, Tuesday, Wednesday or Thursday to the "Gardens." The same applies to Saturday night except it takes groups to the movies in Port, Great Neck or Manhasset.

Sunday, it is being considered that a gang shall be transported to the Strathmore Bowling Alleys for the afternoon. These ideas were submitted by the esteemed faculty and approved by the students.

Buy a war stamp every week so that this plan can go into function as soon as possible. Buy the stamps through your homeroom president.

Those who like to go down to "Pete's" during the school week will find the Jeep in the court yard where yours truly will have you arrive in front of the establishment in record time. It is recommended that you fasten your safety belts.

In the mornings a goodmany people in the community have hired the jeep out for plowing up their yards for a Victory Garden. It has been reported that a jeep in Floral Park did a very satisfactory job, plus a planting and harvesting project.

This summer many students have signed up to go to the beaches. Jones Beach is included.

The biggest surprise of all is that once a month a group are going into the Cafe Rouge, Century Room or the Astor Roof. So make your plans as soon as possible in order to get good seats in the jeep.

Port Cafeteria to Serve "All You Want" Free

Due to the connections with Washington the Port Washington High School Cafeteria will serve free lunches from now on. All the steak you can eat, with mashed potatoes, carrots, string beans, lettuce, and tomatoes, and bread with all the butter you need. All this will be topped off by a heaping dish of ice cream (any flavor you want).

Miss Rolls-and-Butter announced that this will last for the duration.

U. U. Honor Roll Announced

These people have attained the distinction of receiving U. U. in all their subjects for the past six weeks. They should be complimented on the high standard they have reached.

German Bombing Changes Drills

The regulations for fire drills have been changed since the last German bombing burned the school down and it is hoped that the students will adhere to the changes. When you hear the buzzer ring run do not walk to the nearest exit. If this is not possible us the nearest window. If you must go by stairway please slide down the banisters, if possible.

These new regulations will be most effective if every one starts talking and laughing at once.

Loitering in the door ways will be very helpful especially if you are keeping your neighborhood from getting out quickly.

If it is near lunch periods it has been suggested that you sit on the steps and eat your lunch being sure to roll up your paper and bags before throwing them downstairs those being fortunate enough to have bananas might throw the skins on the stairs in order to assist some students in getting down the stairs faster.

In other words to make the reg-

In a joyous and festive spirit, the entire student body of Skunk Hollow, paid tribute today to Mr. Aitken. The happy crowds and holiday spirit brought out the Hot Dog vender, the Pretzel man and Hamburger Joe.

It was a bright sunny day. In fact, the only thing missing was the high school band.

Flags were waving all up and down Main Street. The crowd had long over flowed the curb and now stretched from building wall to building wall.

The laughter, jesting and horse-play interchanged between those in the crowd and the people hanging out of the window on the roofs made a happy cacaphony that far surpassed that of any other occasion in the history of Skunk Hollow.

Rupert Utkin jested people right and left dashing madly about the crowd with a grin plastered over his face from ear to ear. Duvy Goolet was throwing his hat in the air shouting "Yipee" in a voice hoarse from shouting.

Groom Zimmerman was patting everybody within reach on the back. The revelry lasted well into the night. Justice of Peace Smith was heard to say that it was the most jubilant funeral he had ever conducted.

Teachers Receive Wage Boost

Regardless of President Roosevelt's recent announcement that no salary should exceed \$25,000 annually, an exception has been made for the teachers of Skunk Hollow High School.

Here after, they will receive \$31,000 plus a year's supply of their favorite brand of cigarettes. Time and a half will be paid for any time spent in school after 2:15. This a great advantage over last year's system because the teachers will receive pay while having the privilege of detaining pupils. All the teachers approve whole heartedly of the contract.

A special bill was passed to include ten whips for Mr. Zebra, director of the torture chamber.

Mrs. Cockroach, substitute, announced that she foresaw perfect class sessions and higher marks for all students.

ulations most effective endeavor to cause as much confusion as possible.

Spring Vacation April 2 - May 28

At a recent meeting of the Board of Education a new rule was made which lengthens the Easter vacation in order to save the gas and tires used in bringing students to school. The vacation will start April 2, and end on May 3. Incidentally this will help to conserve potatoe chips and bread.

It has been suggested that the

summer vacation commence on May 28, and extend until Oct. 4. This obviously is to save fuel and baseball equipment.

It has been rumored that students will have every Wednesday and Friday off to assist their families in budgeting the red coupons and every Tuesday the blue coupons in ration book No. 2.

Band Concert to Be Spectacular Flap

This years Band Concert has been predicted to be a musical and financial flop. Because Mr. Christopher Columbus has been so busy discovering America, he hasn't found any time to rehearse the band. It will be impossible for him to even attend the concert, so he has appointed Mr. James "Muscles" Brawl to conduct the putris orchestration.

Due to the fact that many of

the members of the band feel that their playing is to superior for this nut house, Columbus has finally permitted Angel Womenzo and April Puddles to entertain (if that's what you call it the inmates with their amateur playing.

Anybody that can force themselves to attend this concert will be paid \$5.00 provided that they stay for the entire concert.

Library Announces New Books

Mrs. Berg-On-Ice has just announced that the library has just received a group of new books such as: "Snow White," "Humpty Dumpty," "Ole Kink Cole," and also a book of collected nursery rhymes that consists of "Mary

Had A Little Lamb," "Little Boy Blue," "The Old Lady Who Lived in A Shoe," "Jack Aand Jill" etc.

It is hoped by the library staff that the reading level of the pupils will become higher by such a grade of books.

Imperialists Panic Paramount

"Babe" Imperial and his orchestra have come back to the Paramount for a return engagement. He has been touring the country playing at the "Coconut Grove," the "Hollywood Canteen" and many other places. Harry James has complimented Imperial and showed good sportsmanship in losing his title to him.

After playing at the Paramount "Babe" Imperial will take his orchestra to Hollywood to star in the biggest musical picture ever filmed. The title: "Fall in the Catskills" by John Findleton.

Glee Club Explosion

At the last get-together of the Glee Court, the inactive members conducted a series of explosive experiments. The first explosion was Monsieur Eduard "Crackerjack" Criket. When Candle Wick mixed some H2O with that most precious mineral NaCl.

Fratry to Evade Sadie Hawkins

The Fratty has been reading the funny sheets. They've just thought of an idea to have a Sadie Hawkins day for the Whole school. (Won't the kids enjoy that?)

For the benefit of those who have never heard of Sadie Hawkins Day (if any) it is a gala event in which the boys line up, a gun is fired and off they go. The idea is for the girls to try and catch the boys before sundown. If they are successful (Oh Happy Day) the boys (Oh Unhappy Day) have to go out with the conqueror.

Hints to the boys: Get a hollow reed and go under water and stay there (it will be a little wet) chase a squirrel out of a hollow tree and go there yourselves.

If this idea goes through the girls are going to be fast runners all of a sudden.

Hitty Ditties

Just to get into the spirit of things on April Fool's day, here are a few ditties for you to smile at (?)

1. Mister 5 by 5, Billy Peper.
2. Ain't got a dime to my name, Graeme Zimmer.
3. Be honest with me, Mr. Christopher.
4. Big broad smile, Charles Maynard.
5. Cool water, Jasper Bloomfield (hot water).

Students in English To Receive H H

Mr. Dimout, head of the English Department of Skunk Hollow High School, on behalf of the request of the pupils argued for three hours with all the other English teachers to give all pupils an H H on the next report. The reason was said that it was because Mr. Dimout told the other English teachers that the pupils have at least tried hard and they deserve H H.

Blue Checker Club Prepares Play

The Blue Checker Dramatic Association, formerly known as Red Domino, held a meeting last Monday evening. Francis Shaves called the meeting to order and Mary Hack read the minutes in one minute flat.

At the beginning of the meeting a little idyl gossip floated around. Sug Allington announced that the O. P. A. had put him on the list of rationed products and Toni Eyrich made her last appeal to the Draft Board saying that she was a girl. It looks like she will leave for Camp Dix soon after graduation. Bill Paper is very tired of being asked how his "salt" is, and being referred to as red hot.

At that time "Doc" Airy made an announcement of great importance. He said that with regret, he had to inform the Blue Checker members the spring play, "The Man Who Came to Diner," would have to be called off because of food rationing.

He announced that the play to be presented would be 'Arsenic and Old Lace' unless, of course, X arsenic is also added, to the ration list.

The meeting was adjourned, and many of the members left wondering if arsenic wouldn't be a good substitute for stake. At least you wouldn't be going hungry???

Gremlins Aid Girls

Gremlins are usually about a foot high, they wear pointed suede shoes, tight green britches, red jackets with a ruffle at the neck, and stocking caps, often with a jaunty feather. They were first encountered by R. A. F. pilots. Whether they have wings or just flap their large ears for flying can't be definitely known for nobody has ever seen a gremlin.

More gremlins have been discovered at this high school. Mr. Dye, mechanical drawing teacher has reported that two girls are beating the male pupils. They are Barbara Caffrey and Marilyn Skillman.

According to Mr. Dye they're giving the boys a merry race. We KNOW the women can't do as well as men so it must be "them gremlins" that are jinxing the boys.

Mr. Schmidz In Snatch Case

Mr. Schmidz, teacher in the Skunk Hollow High School, was freed today with apologies when he established an air tight alibi in the purse snatcher case. It was a case of mistaken identity. Police explained that the arrest as a result of hte description given them by Miss Oltess, Ennglush Teacher in the Skunk Hollow High School. Shortly after the attack, Miss Oltess gave the police the following description of her assailant.

A young man with an emaciated look, a roving "wolfish" gleam in his eyes, a half starved expression and a fugitive air about him.

With this description as their guide, the police immediately arrested Mr. Schmidz. His alibi, however, and the failure of Miss Oltess to definitely identify him as her assailant, freed Mr. Schmidz from any suspicion. Mr. Schmidz, realizing that the error was a natural one since the description fitted him so well, decided to consult a plastic surgeon to avoid future embarrassment.

Branch Rickey of the Brooklyn Dodgers signed an agreement with Coach Carl Zebra at the Port Washington High School stadium. The Brooklyn "Burns" also agreed to play Port High in a three game series to decide the Championship of the suburbs of New York City.

* * *

Johnny Lunde has returned to Port and has been given the starting assignment in the Brooklyn clashes. Judge Landis gave some signs of having the World Series held in the Port Bowl next September for he said that the sports fans in Port are very enthusiastic and robid.

* * *

Last week during the luncheon at Shore's Restaurant the Associated Press voted Port High the the Hessinan Trophy for being the outstanding basketball outfit of the country. Port was also invited to represent the East in the N. C. A. A. basketball Championship to be held in Kansas City last week. Toledo University will be our opponents. Doyle and other Broadway betterers are giving Port 21 to 2 to shellack the Westerners.

* * *

Some of Port's old athletes have really been doing their part in this war. They are smacking at the axis on all fronts and are showing the enemy what kind of people are raised in Port Washington. It was rumored that old "Sass" Poole drove the "Port Washington Jeep" through Kassenine pass and through half of Rommel's Army until he finally captured the German General single handed.

Joe Forgione was reported saving the battleship Homet when he dove into the ocean off Australia and stopped a depth charge coming towards the ship.

Mr. Bunker Discusses Future President

During an annual "gathering of the nuts" in our prison, our most esteemed priorities teacher, Mr. Burker gave a speech. He spoke on the future "angels of our school." During this gathering he brought in the birth of the future Pres. of the United States, his son. Upon saying this Mr. Bunker turned a bright pink. The inmates applauded with great enthusiasm, but all Mr. Bunker could do was to blush brighter. Changing the subject quickly, Mr. Bunker concluded that the "angel of the air" was the coming thing and that every angel should look into the organization.
