Traffic Squad

The traffic squad this week is distributing new badges. Those receiving them are: Jackie Fenton, Barbara Waters, Joan Coffman, Joan Evans, Kathryn Ehnat, Betty Gagnet, Dorothea Farrelly, Carol Neumann, and Dolores Smith. Keep 'em polished!

La Tertulia

In the last meeting La Tertulia discussed the possibility of a Christmas party. Miss Jenkin also suggested that sometime in the coming spring the club might meet another Spanish Club from New Jersey. The idea is to meet them in New York and attend a Spanish movie or play, and, afterwards, dine in a Spanish Restaurant.

Celerity

Under the able guidance of Miss Duffy, the Celerity girls are dressing many dolls for the Saint Frances Home. The dolls' wardrobe will consist of a dress, petty-coat, panties, and last but not least a bonnet. Any girls who wish to dress a doll, can inquire at Miss Duffy's room; all dolls must be finished by December 6.

O.G.A.

There will be a business meeting of the O.G.A. next Monday.

Theater Ground

The theatre group is planning to see "Winged Victory," a new Broadway play.

Les Faux Pas

Plans for the revision of Les Faux Pas will be made at the next meeting

Fratry

Yesterday the Fratry gave the first of a series of cafeteria dances planned for this term. At the last meeting, it was decided that those who wanted pins could obtain them.

Boy Oh Boy

Eva: Bell told me that you told her that secret I told you not to tell her.

Maybe: She's a mean thing. I told her not to tell you.

Eva: Well, I told her I wouldn't tell you she told me . . . so don't tell her I did.

High School Boys Receive Chest X-Rays

As part of physical fitness program students are checked for possible tuberculosis. Christmas Seal Campaign helps to support this drive for better health

Don'ts For High School Students

Don't bother to cheer at the games. The boys don't need your support, so don't waste your breath. Why show your school spirit—no one else does.

Don't pick up any waste paper you see, lying around; leave it where it is. The janitors are hired to pick up scraps of paper and the smaller the pieces, the more interesting the work.

Don't fail to jump up and run out of the class the minute the bell rings. The teacher never likes to finish her sentence; she prefers just standing at the front of the classroom with her mouth open. Besides, it never hurt a desk or a chair to be knocked over five or six times a day.

Don't let any one beat you to the lunchroom when the bell rings. It's your right and privilege to get there first, even if you have to knock down several other students in the rush.

Don't fail to whisper in the study hall. No one goes there to study anyway.

A Message to the Student Body

The purpose of this letter is to bring before you the shortage of metals required for the making of pennies.

The Mint has had much difficulties in obtaining the strategic metals with which the penny is made.

I appeal to you to assist the Mint to conserve scarce metals needed for war purposes. Pennies should not be returned to the mint but should be returned to the channels of trade in your own community. You may wish to substitute War Saving Stamps for coins that are held as savings.

Sincerely yours,

NELLIE TAYLOR ROSS,

Director of the Mint

Students Pay Class Dues

Students are always being asked to contribute to one cause or another and they have been contributing generously. However, students have not and are not paying the class dues. Five cents a month for class dues is not much to ask from students.

Most of the students don't know what these dues are used for. The most important thing done with this money is to pay for the Senior Banquet. Class activities are backed up by the money that it has in the treasury. Class treasurers dislike to keep asking for the dues but some students, especially Seniors, have not paid one cent since they have been in high school. Please make it your business to pay your class dues each month from now on.

M.Y.F. to Sponsor Noel Prom

The Methodist Youth Fellowship has planned, The Noel Prom, to be featured on December 28, at 8:30 in the Methodist Church.

Tickets will cost a \$1.10 a couple and a \$1.65 for stags.

All are cordially invited to attend as it will be the "Bang-up Affair" ending this wonderful year of 1943!

(As this paper goes to press, no band has been chosen but it is assured it will be no other than a good one!)

A local draft board recently received this letter:

"I am married, but it's a secret because my wife's mother hates me.

I have been classified as A-1. If I keep my marriage a secret, I will have to fight the Japs. If I announce my marriage I will have to fight my mother-in-law. What do you advise?"

FIGHT THE JAPS, they are easier.
