

Know Your School

Due to the fact that some of the students and the new Sophomore's do not know the school songs or remember them, it will be a good idea to cut them out and learn them.

Bingo

Bingo, Bingo, Port's team is going to win today.

Fight, fellows, fight, fight, fight. We've got the team, we've got the fight;

We've going to win before tonight, Bingo, Bingo,—team can naught avail.

The Alma Mater

Oh our High School, we sing to you.

We will always be loyal and true. For thy honor we will stand, For thee laurels fair demand, And we'll rally 'round thy flag of blue.

Ever forward may we bear thy name.

Ever upward we'll raise thy fame. May our course prove true, While we're working for you; Port Washington, we sing thy praise.

Port Profile

One of the most cheerful personalities that graces Port High with her beauty is PAT LOUIS. Pat was born in Chicago, June 6, 1926. From "The Windy City" she moved to Maplewood, N. J., and then to Jackson heights, and finally Port was lucky enough to claim her.

Pat likes to travel (next week-end off to Annapolis!). She likes to eat, (articoles and cottage are tops), dance and swim. Plays the piano beautifully and is fond of classical music.

Patsy is known for her fine taste in clothes and hopes to get into Fashion Designing. After graduation this coming June, Pat may attend Bradford Jr. College.

One of her pet dislikes are "cokes." She likes station wagons, Tommy Dorsey, and the song, "I'll Be Around."

Pat is in many clubs in P. W. S. H. S. She is Sec. of the Art Club, a member of the Theater Group, and a Council member. Yes, Patsy is known and liked by all. She is one of our most "Beloved" Seniors.

U. S. Nurse Cadet Corps Needs Girls

The government is facing a severe shortage of nurses both civilian and military. As a result it is calling High School Graduates to enroll in the Spring classes in schools of nursing. A person who enrolls becomes, after a time, a member of the U. S. Cadet Nurse Corps.

The Corps carries on its work in farms, rural communities, towns and cities of our nations under authorization of the Bolton Act. Its insignia is the Maltese cross.

While a student prepares for this highly honored, profitable lifetime career, she receives training and a liberal allowance for herself from the government. This is on the condition that she promises to continue in the nursing field for the duration.

Receives Gray Uniform

Upon graduation the cadet nurse receives gray uniform and finds many opportunities in many fields. Some of the openings available for nursing are in Civilian, Veteran, and Marine Hospitals, public and industrial health nursing, and nursing in the Army and Navy.

Candidates for these free training scholarships must be between 17 and 35, high school graduates and in good health. Most schools do not disqualify married girls.

Those girls interested in taking advantage of the opportunity for valuable war work as well as post war reconstruction should not hesitate to write to the U. S. Cadet Corps, box 88, New York for further information, or see Mrs. Webster.

The Land We Love

The following poem was written by Mr. Allen, the custodian of our school, who we see around every day.

Freedom is our watchword,
And may it always be
America the beautiful
And land of liberty.
The land we love and cherish
Which we always should adore
Our freedom and our happiness
Regardless of this war.

Time will come, and time will change
To more, bright, and cheerful days
When the enemy is all worn out
From their wilful murderous ways
They're the ones who will suffer most
When this war is through,
Because they'll all be down and out
And won't know what to do.

Time is later than they think
We hope these words come true
When those wicked Japs, and Germans, sink
Beneath our Red, White and Blue,
It sure will be a glorious day
When our boys come home again
To see their friends and loved ones
And sing this grand refrain
"God Bless America!"
