Sing tu toone "Know Luv, Know Nuthen"

No rules, no homework, these rights are granted to us.
 All sports, and parties, and it's o. k. if we cuss.
 No tardy bell, the food is swell, we've funny books for sale.
 A girl can kiss a male, and tests you'll never fail.
 No French, no Spanish, for they are also tabu.
 All math is simple, like I and I will make 2.
 Yes girls wear slacks and boys are lax about the clothes they wear.
 No ties, no socks, no manners 'cause the pupils are so rare.

April Fool

 But why the people call it so
 Nor I, nor they themselves, do know.

If there are any boys who would like to donate some red hot blood, go down and give it to the Red Cross because they need it.

Boys are needed to try out beds. The first ones to come will be the first ones to get a bed. Come one, come all, while they last.
