## Did You See The Play?

It seems a shame that there weren't more people to witness the dramatic ability that was shown to us on the stage this past Saturday night when "Ring Around Elizabeth" was presented by the Red Domino. Did the parents stay home because they didn't know about the play or because they were not told about it. For the benefit of those who were not at the play, it was done exceptionally well and showed some of the wonderful talent in our school.

## Congratulations—Sports . . .

The Port Weekly wishes to express its gratitude to all those who participated in the seasonal sports. Our football and basketball teams worked hard and fought bravely to obtain scores other teams failed to top. We feel assured that the Baseball and track teams will work hard to uphold the fame of Port High.

## Spring

"It's spring again and birds on the wing again!" This is it! Oh my, how can one do homework with the birds singing and everything in bloom? One day it's raining and the next—sunshine and spring. Homework and all responsibilities are forgotten as one sits by the hour just watching mother nature at work.

Several students have already ventured into the "deep blue sea." Others have changed into spring attire and are seen in bright cottons and calicos. Boys are sporting those "crew haircuts"—or in other words have been scalped. Love came in on the wings of the birds and a new light is noticed in many a eye. Couples stroll through the parks—why? It's Spring!

## Over The Fence

The coming of spring has brought the usual reactions with the majority of our student body. For instance the Soph. Hop was a rousing success. A few of the recent couples were Joanie Evans and Bob Brandon, Dot Rynalski and Ned Bullis, Marcia Liesickel and Dick Pfeiffer, Shirley Witey and Kennie Hobbie, and the newest and truest are Janette Norton and Dick Clark.

It seems that Dot spent quite awhile cleaning up after at least 60 people raided her abode after the dance.

*Jimmy and Pat enjoyed themselves at Barnum and Bailey's.*

**Did you ever notice all the people walking in the sand banks?**

When Bob and Rufus, Dick and Janette, Jimmy and "Butch" walk down to the Duck Pond you can be certain that the ducks aren't the feature attraction! It seems Bob is quite the camera fiend.

*Sunday, being so nice and sunny several kids ventured from their homes. Motto, "Queenie" Frost, Bob Mesch and others were seen at Pete's.*

**We notice that many fellas have gotten G. I. haircuts before their time. Maybe they're trying to fool the girls.**

It seems from all reports that Pat Indence's date from Hollis was definitely not a "lemon."

*Friday night Inger and Dick Bohn, Loretta and "Queenie," Shirley Wiley and Bill Peper journeyed to Mineola to attempt skating. They can always try!*

**The spring styles have hit a new low—as observed by some of our outstanding critics. Among those attending the fashion show were: Stephanie Webber, Hilda Montgomery, Jacqueline Kors and Matilda Contino, two WAVES, Harriet Ziedel and Georgia Leech.**

In leaving I remind you not to mail any letters in Port!

## 'Red Domino' Sees Oklahoma Apr. 28

April 28, was the date to which the Red Domino had looked forward to for a long time. The theater party, consisting of 30 Red Domino members, headed for Broadway to see the smash musical hit, Oklahoma. The play was worth the wait for tickets, was the general attitude.

Jim Thompson said "The play was excellent, but if we had been up any higher, my nose would have started bleeding." Red VanderVoort just claimed that "The play was swell."

The merry throng left the thea-

## Clublicity

### Theater Group

At last meeting, Tuesday, April 25, the Theater Group met, to decide on the next play it would like to see in place of "Mrs. January and Mr. Ex". The one that was voted for was "Helen Goes to Troy" a new musical. Miss Morrissey will try to get tickets for the second week in May.

### Retort

Mr. Pickett and the members of the Retort are going to analyze the soil for the victory gardens.

Anyone wanting their soil tested, bring it to Mr. Pickett's room.

### O. G. A.

The O. G. A. now has a new president! The former president, Geraldine Sadlo, resigned recently and former Vice-President Harriet Lockman has become president.

The club is going on a bike-hike on May 7, and a good time is expected to be had by all.

Also, the girls are going to have a pajama party this Wednesday night, which is to be held at Alice Halls house.

The regular business meeting is to be held Tuesday.

### Spanish Club

On May 13, the Spanish Club is going to New York to see a Spanish movie, and they are also going to have dinner in a Spanish restaurant.

ter at precisely 11:30 and had to make the 11:42 train or else wait an hour. Thus, "Doc" with his bevy of pretty girls, Mary Hacker, Harriet Lockman, Mary Hoban, chaperoned by Mrs. Ehre, went madly racing through New York trying to reach their destination on time. This episode was not appreciated by "Doc" who will never make a track star.

The other couples who took their time walking to the station found that an hour is a long time to wait. Les Keates with Lulu Parmelee, Red VanderVoort and Nancy Nelson, John Wilkinson and Julia St. Clair, George Wilkinson, Dick Aitken, Dick Perley, and Jim Thompson were in this group.

Ned Bullis, Hugh Montgomery and Gino Brock disappeared. Eh What? But of course, the group was well chaperoned. Mrs. Van Gaa, Mrs. Cipriano, Miss Rawley and Miss Coy went along.

The Red Domino plans to visit Mitchell Field to present "Ring Around Elizabeth." This event is to come off very soon.
