Port Light Staff Pick New Theme

Although this year the Port Light will not come out until June 1, the plans for putting it together are already well under way. The issue will include several new features such as padded covers, printed end-sheets, and more pictures featuring candid shots of groups and individuals. Since approximately 400 people have subscribed to the yearbook, it will cost altogether about \$2.75.

Barbara Lynch and Bill Cunningham have been chosen as co-editors of the literary staff which at this time is most advanced in their schedule. The staff has been busy working on senior write-ups and the dedication. Work will soon be started on clubs and class histories. Each sport will be written up as its season ends. Although the theme has been chosen to be that of a ship's log, Mr. Reppeteaux has not yet

Student Of Week

Frank Harding was chosen as student of the week because he is the newly elected president of Circle. Frank, an honor student,

Frank Harding

became a member during his junior year. It is quite an honor for a boy to be in Circle as only six out of its thirty-five members are boys. He was vice president of Retort and a member of the Latin Club.

During his junior year he did an efficient job as treasurer of the G. O. He is also talented in music and is an asset to band and orchestra with his trombone and saxophone. He manages a dance band which has played at most dances.

Upon graduation he hopes to attend Webb Institute to be an architect.

'The Frost Ball' Is Tomorrow Night

Jarka Kostal Is Assembly Speaker

On Thursday, October 25, Port High observed United Nations Day with a special assembly. The speaker at the assembly was Jarka Kostal, a nineteen-year-old student of international economics at Boston University. He spoke about his life in Czechoslovakia during the second World War, and under the short-lived democracy of Jan Masaryk, and more recently, under the regime of the communists.

Czechoslovakia was annexed by Hitler in 1939, and since then, the country has known only a few months of freedom. During the months immediately following the war, a democratic government was formed under Jan Masaryk. Masaryk "committed suicide" and the communists took over. After two years of their oppressive rule, many discontented people had escaped from Czechoslovakia, and many had lost their lives in the attempt. Jarka and his three friends decided to risk the break for freedom, and slipped into Austria in a dangerous and harrowing escape.

Jarka's hair-raising story made us realize the importance of the U. N. in preserving international peace. It also made us realize how lucky we are to be living in America. The assembly closed with the Pledge of Allegiance and the Star Spangled Banner—and we really meant every word we said and sang.

Pupils Are Slow In Air-Raid Drill

The first air-raid drill was held last week. It took about two minutes for the students to get assembled in the proper places. From now on we will probably average about one a month. The drills are required by the state.

Mr. Merrill feels that the students should try to get to their places in about 1½ minutes, since it took less than two minutes for the students to get outside in the fire-drills. He said that we should move faster, quieter, and more orderly. The classes should try to keep together and stay in one line.

The two things which were aimed for in the location of the assigned positions were to keep away from all classrooms and outside doors and windows.

'Mikado' Date Is Changed To Jan.

The "Mikado" is going to be held on the thirty-first on January and the first and second of February. The Orchestra is contributing the following members to the musical.

1st violin Bill Bowman and Bob Hunter,

Clarinet Albert DeMeo, and Nancy Stover.

Flute Louis Rowley.

'Cello—Nina Stephenson, Barbara Wheeler and Sandra Madeheim.

Basses—Mary Wanser.

Tomorrow is the big night! The Frost Ball, the dance of all dances, is finally here, so here are a few last minute details that you have been waiting for.

Many of the sophomores have been wondering about the term "semi-formal". According to Emily Post and The Port Weekly, semi-formal means that the boys should wear a suit and the girls should wear a full or ankle-length formal gown. Shorts or dungarees are not considered proper.

Boys, you can save yourself money by buying your date a beautiful gardenia corsage at the dance for only \$1.25 and Mr. Terzian will be present to take pictures for those who want them.

This year there will be a variety of dances, including a Mexican Hat Dance, a Paul Jones and a Cinderella Dance. There is certainly going to be good music, for Henri Noel is to play at the Ball. Each member of the band is a well known musician in his own right.

Refreshments will be served at the dance and the Senior Class hopes to see every student enjoying themselves at the "Frost Ball".

Open House Will Be Held Nov. 28

The parent's open house this year will be held on November 28, beginning at 8:00. At 8:00 the parents will meet in the auditorium where there will be a greeting by Mr. Merrill and a brief program by the Student Council.

At 8:30 the parents will meet in the homeroom. Then they will follow the pupil's program omitting the fourth period. "After school" they will be served refreshments in the cafeteria.

The committee in charge of planning this open house is Mrs. Johnson, chairman, Mrs. Webster and Mr. Hendrickson.

Eligibility System Takes Affect

Monday, a list was published with the names of different pupils on it. These students will become ineligible for all extra-curricular activities on Monday if they do not in some way raise their marks.

This ruling applies to the following activities: athletics, clubs, dramatics, publications and G. O. activities. Members of the band and orchestra can not go on their trips or participate in the operetta. Since school credit is given in music, the members of these organizations can still attend all the practices.

The students that do not have an S in attitude in four of their subjects are to be put on a "weekly plan", by which if they are able to raise their marks during the week, they will be allowed to participate in their activities in the following week. If their marks are satisfactory at the end of the six weeks marking period, they will be taken off the "weekly plan" and allowed to continue with their extra-curricular activities on a regular basis.

picked an editor for the art staff. He plans to introduce bright color to the issue. Mr. Schaffer, however, who is head of the advertising staff has not been so fortunate in his work on the year book. So far the only people who have volunteered to work for his staff have been two sophomores, which does not speak very well for the interest of the seniors in their yearbook.

The sophomore may be the lowest form of animal life, and the senior may be the highest, but I am sure that the junior is the unhappiest. Pity the poor junior! He neither gets the sympathy people feel towards the sophomores, nor the blind admiration that the seniors are afforded. He is continually hounded with the massive problems of class rings, junior proms, and the question of whether or not he can endure another year in high school.

Sophomores have always been regarded as frail little creatures who must be pitied and helped. And when everyone hears of the terrible things which the juniors do to the sops, it is the juniors who get the blame and the sops who get the sympathy!

The seniors are the Olympians of the school. They are the intelligent, wonderful, beautiful. And when we poor downtrodden juniors presume to timidly anticipate the great day when we may become seniors—we are thoroughly squelched and completely squashed.

I apologize to the sophomores for all the nawsty things that the juniors have done to them. I apologize to the seniors for the unashamed envy with which the juniors regard them. I apologize to everyone! Now that I have begged for forgiveness and apologized all around, maybe some kind soul can find it in his heart to be nice—a little bit nice—to the juniors.

The hockey season is really in full bloom. All the teams have been chosen and have begun to play against other schools. So many girls came out for hockey that it was hard to choose the best players for the teams. This year's varsity is composed mainly of seniors while the junior varsity includes a few from all grades. The sophs made a swell showing in hockey. Eleven girls from the class were eligible for Junior Varsity. All the girls who made teams were really out there trying their hardest. The teams are as follows:

Varsity - Tiley, Breska, De-Meo, Hazard, Lipton, Carpenter, Volpe, O'Brien, Cooper, Fromigia, MacPherson, Oswald, McDonough, Spratt, Horowitz, Robertson, McElwaine, Lomazzo.

25 Years Ago

Now comes a chance for those who have been harboring a hope to imitate Nurmi or Priteola. A plan is afoot to hold a cross-country run between halves of one of the November games. Practice will be held at the Flower Hill gym after school, beginning today. At least fifteen entries are required. The event will be open to all members of the High School. The first five to finish will receive the class numerals.

(to be accompanied by a saxophone or other musical instrument, tuned to the "Razzberry" note)

Ain't it a grand and glorious feeling to be back in the dear old school again; to see our beloved classrooms once more; to hear once more the melodious voice of venerable sage, Wm. F. Merrill—"Just a few announcements"—; to be back once more to sit in the luxuriously comfortable seats of Room 210 and have the sweet notes of May fall upon our ever-attentive ear drums; to hear the old familiar phrases, dear to our hearts—"Keep to the right", Report to the office" and last but not least, to be able to come home with a good three hours' work before you?

Refs Have a Field Day

Aside from the top heavy 39-0 score in the Port Washington-Hudson game, the most significant thing was the completely different brand of football played upstate. Hudson, used to this type of football, wasn't at all bothered, but Port on the other hand seemed to be playing the wrong game since they were penalized 15 yards eight times and five yards four times for a total of 140 yards. Port was penalized from the game for what looked to be a perfectly legal tackle. But to get back to the game, Hudson just didn't have it against Port. They weren't big enough, didn't have the skill and in general didn't have the football savvy of Coach Costello's men.

Mertz

Port kicked off and after Hudson kicked for a two yard gain, Booker scored on a wide end sweep. The extra point wasn't made. Several minutes later, after another bad Hudson kick, Booker scored again, this time through the middle of the line. Jackson passed to Adami for the extra point. The next time Hudson tried to kick, the Blue and White blocked it and Adami raced over for the T. D. Again the point after touchdown was missed. The rest of the first half was uneventful.

The first time Port got its hands on the ball, Booker and

Capperella combined on a play for 30 yards. A few plays later Booker went through the middle again to pay dirt. The pass from Jackson to Roberts made the score 26-0. Standing on his 30 yard line the Hudson kicker missed the kick and could at best recover it on his own 2 yard line. Jackson passed to Roberts in the end zone on the next play. Port converted on a 32 yard pass from Jackson to Saccarecia after two penalties. Port scored its last touchdown early in the fourth quarter when Saccarecia raced around the left end. Al Epaminonde then kicked the extra point to make the score 39-0.

Carl Booker scored three touchdowns bringing his seasons total to an even dozen. He scored two against Garden City one against Manhasset and three in each of the Roslyn, Westbury and Hudson games. Also scoring for Port this year: Musselwhite, Jackson, Adami, Roberts and Saccarecia, one each.

Green Wave Turned Back

The story of the Westbury game can be summed up as Carl Booker. He paced Port and scored all three touchdowns, giving the Blue and White a 20-0 win. Of course we wouldn't have been able to score at all if it hadn't been for the fine play of the rest of the team.

The game was scoreless until late in the second quarter when Jackson chucked a pass to Carl who went across the stripe. The play covered 70 yards. Capperella plunged over for the extra point. Booker scored on the identical play midway through the second half as the sophomore quarter back went to the air again. With only minutes left to go in the game Booker fumbled a kick and Westbury threatened to score. He more than made up for it intercepting a pass from Westbury's Alexander and sprinting 103 yards for a touchdown. Jackson sneaked over to complete the scoring for the day.

Junior Varsity

All the while the varsity has been making big headlines on Saturdays the J.V. has been plugging away winning two games and losing one after a rough opener.

Mr. Horton's crew lost 19-0 to Garden City as has already been reported to you. John Zahn scored all seven points against Manhasset on a couple of line bucks but it wasn't enough to beat Manhasset's two tallies. Against Roslyn the story was different as Port won easily 18-6. Stag scored the first touchdown recovering an enemy fumble. Christie passed to Seddon for Port's second tally. Stag again scored when he snared a forward pass after falling down in the end zone. Roslyn scored on a long forward pass. Westbury was the real soft touch as the Blue & White whipped them 33-0. DeMeo scored first on a reverse and Cozza added the ex-

tra point on a line plunge. Dempshick tallied around the same end as on the previous play. Hall scored on a quarter back sneak and DeMeo converted carrying around end. Port's lost T.D. came as DeMeo passed to Thompson. Hess bucked over for the point after the touchdown.

Look Out

Tomorrow it's Great Neck. It

could be the most important contest of the season, since if Port wins it the Blue and White will have a good shot at the championship. Last week Great Neck won a squeaker over Oceanside 7-6 to remain unbeaten. Coach Costello means to change that status. We are sure the team will go out to win, but remember they'll play better if they know you are there cheering then on.
