Port's varsity and J.V. basketball squads defeated their opponents, Hicksville, by the scores of 68-49, and 50 to 43.

Sparked by four returning sharp shooters on the Varsity, along with 6'3" capable rebounding center, Ramsay, the Varsity won their first game of the season. The four returning first string members are Jackson, Dohm, Boehme, and Wiles.

Port Leads at Halftime

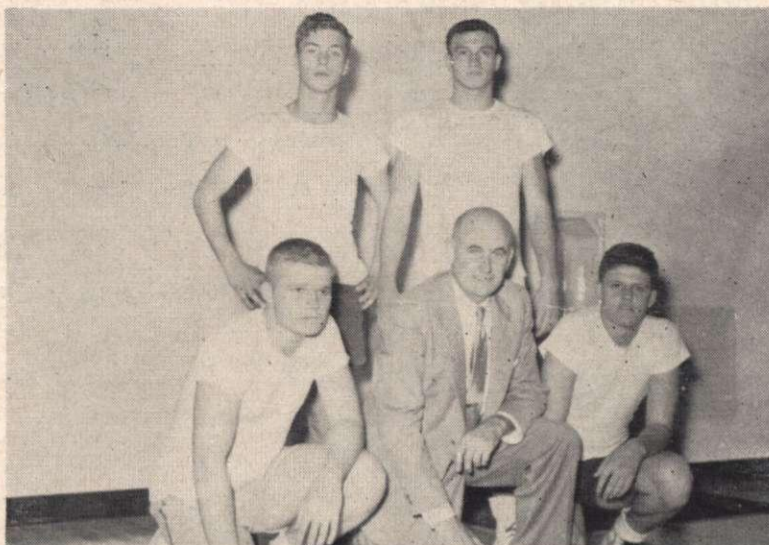

In the first quarter Hicksville was sparked by Peppy, and were playing the Portmen very closely. Through Boehme's outside shots, and the closeup shots of Dohm, Jackson, Wiles and Ramsay, the Portmen were able to edge the Comets out of a slim margin, 34 to 24, at the half time.

A mixup of fouling and close man to man playing comprised the action in the second half. Port's players were able to make most of their foul attempts. Using experienced Santiccolli in the center position during the last half proved a good measure, as he was able to control the rebounds and helped to set up the Port scores. Boehme led the scoring with fifteen points, and Jackson ran a close second with twelve. The majority of the Port players were able to notch a basket or two, except the subs that entered the game in the last minutes.

Those seeing action in the last quarter were: Santiccolli, Deater, Hall, Metzger, Schermerhorn, Palaski, Dohm, Utz, Oswald, Gilbert, Wiles, and Nuzzolese.
