### Track Talk

by George Ribar

#### Track Season Closes

Completing their last track meet of the season, the Blue and White lost to the Manhasset Indians 60 to 22, and Farmingdale, 47; on Manhasset cinders, June 2.

Though outnumbered in each event four to one, Port didn't do too badly. Jay Purdy won seconds in the century and in the 220-yd. dash. Bill Brown repeated the same in the high jump. Matthew Seddon and Howard Blakeslee placed third in the pole vault, respectively. The only first for Port was won in the mile race by George Ribar, who was

followed by Dave Johnson, fourth. Ray Saulter, Bob Slusser, Dick Dykes, and Jay Purdy finished second in the relay.

As far as varsity competition was concerned this season, the colors of Port High were carried by only five men. They are Bill Brown, Jay Purdy, Ray Saulter, Bob Slusser and Norman Taylor. The last four mentioned composed our relay team, which went all the way to the Long Island Intersectionals, where they copped second place. Going to West Point for all state were Bill Brown in the high jump and a rising furlong speedster Jay Purdy.

The highlight of Port's track team came when they tied for fourth in the Intersectionals, thus being the only North Shore team to keep up with the leaders.
