Mr. Touchdown's Election Is Dance Highlight

Band Entertains At Half-time

Playing at the half-time of the Port Washington - Garden City game, the PDSHS band made its first appearance of the season. Under the direction of Mr. George Christopher, the band entertained with their music. The group will be present at the two other home games with Ocean-side and Glen Cove.

Besides their performance at the football games, the band is scheduled to play at the Mineola Fair on October 13 and for the Community Chest drive on October 15. The group will play at Jones Beach, at the Veterans' Hospital, in the Memorial Day Parade and in competition. The high point of their musical activities is the annual band concert which is always a tremendous success.

PDS G.O. Reveals Progress In Sales

"So far we've sold approximately 400 tickets to junior high school students and about 425 tickets to high school students," Marion Sadler announced. "We hope that by the next issue of the **Port Weekly**, G. O. sales in PDSHS will hold a vast majority over the junior high sales."

G.O. ticket holders have an opportunity to take advantage of up to 10 per cent discount from the stores listed on the back of the ticket. They have the chance to get into all the home football and basketball games for half the regular price. Another feature is that the G.O. ticket holder receives the **Port Weekly** free of charge.

Doc Arresta Plays 9-12 Tomorrow Eve

Tomorrow night "Mr. Touchdown" and his date will be crowned king and queen at the **Port Weekly** dance, "Mr. Touchdown, U.S.A." Promising to be the highlight of the evening, the election will be conducted during the dance. A picture, which will be printed in the **Port Weekly**, will be taken of the lucky couple while they are seated on their throne.

Doc Arresta To Play

Continuous music will be played from 9 o'clock until midnight by Doc Arresta and his band. Tickets, which may be bought at the door, will be sold for \$1.50 per couple and \$2.00 stag. Dress will be semi-formal.

Committees Plan Festivities

Various committees are working hard to make the dance a success. The decoration committee is headed by co-chairmen, Sirje Helder and Winnie Schultz. Anne Loveland is in charge of refreshments; Jean Killam and Barbara Brindley, publicity, and Maura Nordquist, tickets.

Office Announces Rules For Drivers

PDSHS's school authority has requested that students driving cars should register at the office. This will enable the school to reach any student if something concerns their car. Mr. Hendrickson made note of the fact that cars are not to be moved during school hours, and that eating in cars is prohibited.

"Exceeding the fifteen mile per hour speed limit on or near school property endangers the lives of some 2,000 school children," Mr. Hendrickson stated. "I hope that students will make every effort to obey traffic laws and avert a possible accident on school property."

The Port Washington Police Department in the future will issue summons to anyone exceeding the speed limit or to any student driving to or from school during the noon hour.

The students and faculty of Paul D. Schreiber would like to express their sympathy to Elizabeth Duell on the death of her father.
