**Port Outlasts Manhasset**

Playing with cool heads, despite the high temperatures last Saturday, the Port football team posted its initial victory of the season by defeating the Indians 13-7, on the winner's gridiron.

**Winners Score First**

In the first quarter the ball moved up and down the field, changing hands on fumbles. In the second quarter the Blue and White's forward wall held the Indians and Port took possession of the ball. Climaxing a series of running plays, Ronnie Musselwhite drove into the end zone for a T.D. Bob Dell then kicked the extra point, as Port lead at half time, 7-0.

**Hard-fought Second Half**

Shortly after the start of the half, Bob Dohm completed a long pass that put the ball deep in Indian territory. Port moved well for a few first downs and then bogged down near the goal-line. On fourth down, Bob Lincoln took a hand-off from Dohm and crashed over for Port's second score.

**Manhasset Scores**

As Coach Costello substituted freely in the final quarter, the Indians' offense finally started to roll. Manhasset's consistent ground attack paid off as they scored and added an extra point on short runs.

**Garden City Defeats Port J.V.**

Typical of many junior varsity teams, an inexperienced Port team was defeated by Garden City, 20-6. Port's only score came as a result of Roddy Hull's short plunge.

**Player Of Week**

by Seamus McGrady

Al Saccarecia, Player of the Week, seemed to be just what the doctor ordered for Port's line. The Costellomen, beating Manhasset 13 to 7, won their first game of the season. Many thought that our line fell apart last week against Garden City. But when the boys got a few days of practice, they showed hard, aggres-

ive blocking and tackling. Al played defensive guard and at that position he was able to use his large frame to great advantage. He stopped many center plunges and together with Richie Marro, Al recovered a Manhasset fumble. During his freshman and sophomore years, Al played jayvee football, while in his junior and senior years he played varsity. He is a member of the Marine Corps Reserve. Al said, "If it weren't for the rest of the guys on the line, I wouldn't have been able to be chosen Player of the Week."
