this achievement he gained membership in Circle, our school's chapter of the National Honor Society. He is also a member of Retort and Fraternity, being an active participant in the affairs of both organizations. This year Bob is his homeroom carnival chairman and will work hard to make the carnival as a whole a big success. He also holds the position of co-treasurer in the senior class.

Bob is most known for his sports achievements. In his sophomore year he was on both the J.V. football and basketball teams. As a junior he made the varsity team for both sports and as a senior he proved to be one of the most distinguished sportsmen our school possesses. In basketball he was the team's high scorer with a game average of 10.4 points, and in football he received honorable mention from the Daily News. More important, Bob was the strong pass-receiving end for our football team.

Next year Bob will be found at Cornell University, where he has already been accepted. Not only does he deserve the praise of the student body for his scholastic and sports achievements, but also he deserves praise for his terrific personality which has made him one of the most liked students in our school.

Teacher of Week

Miss Foehrenbach is the teacher of the week because of the great amount of work she has done for the Modern Dance Recital, scheduled for tonight. Popularly known as Miss F., she attended Hunter College, where she was a member of Phi Beta Kappa, an honorary scholastic society. She enjoyed regular dance classes but didn't think

she had enough background to teach the activity and so attended the Charles Wideman Studio, learning a lot from her studies. Besides many other sports, she plays basketball and is on the United States Field Hockey Team.

Miss F. is now preparing to receive her Doctor's degree in dance at New York University. Her hobby is traveling. She spent her winter vacation in Bermuda and has been invited to England, next winter with a team to play hockey. At present her home is in Jackson Heights.
