

Last Saturday, Noel Certain and Art Foy went north to compete in the State Championships as representatives of Section Eight. Certain was the big conversation topic as he streaked across the cinders to win the 440 yard dash in 49.6". However, he had to settle for a second in the broad jump, losing by 1/2" to a boy from Albany representing Section Two. Noel had jumped 22'11 1/2", but his opponent jumped 23' even to edge him out. Noel can certainly look back to his track accomplishments at Port after he graduates.

Art Foy, the lanky junior, placed third in the high jump and he looks to be a sure winner for next year. He has cleared six feet several times and he should improve.

Looking over the year's events, basketball was the brightest sport although it was also a letdown. The varsity sported a 9-5 record under Mr. Costello while the J. V. was undefeated, 14-0, coached by Mr. Biro.

The tennis team stayed just over .500 with a 7-5 record. This was coached by Mr. Biro and he has a lot of good future talent even though first-singles player Bill Kern is graduating.

The football team had an off year, winning but two of seven contests for a 2-5 record. Mr. Costello, last season's coach, will have a faster team next year, both on the line and in the backfield.

The track team held a 2-3 dual meet record although it did well so far as placing individuals in the trials etc. Certain, Fot, Foss, Allman, and Damiani usually carried the load for Mr. Biro.

Last but not least, the baseball team, which held first place at one point with a 5-2 record, returned to its expected and predicted prowess and ended up with a 6-5-1 record. The highlights of the season were Bob "Farmer" Demshick's no-hitter over Glen Cove, and Marino's indescribable play at short.

There is little to say about the soccer team except that the new sophos will help out a lot.

Incidentally, Port's first baseman, Doug Kirkpatrick was chosen to the All-Scholastic Baseball nine. That's a high honor on which to graduate.
