Most Victories...Jamie Kirmser (31-4), Josh Weissman (31-4-1)

The Schreiber Times staff congratulates all participants.

Spring Sports Update

Golf

by Dave Levy

Led by veterans Adam Zimmon, Jerry Engel, and Brian Coyle, the Boys' Golf team promises to have yet another successful season on the greens. The Schreiber squad has won their division two years in a row. In fact, the team was undefeated last season.

Schreiber is currently seeded number one in their division, above Glen Cove and Oyster Bay. Coach Costello was very pleased with his team's performance in tryouts and he is expecting success this year too. The golf team is sponsoring a faculty-team golf tournament in which a faculty member is paired with a team member in a round-robin tournament. Those who are interested should contact Mr. Costello for details.

Boys JV Lacrosse

by Greg Juceam

Last spring, the Schreiber Boys' J.V. Lacrosse team finished the season just above the .500 mark. At the end of the season, the team's morale was crushed due to close loses and a bench clearing brawl against East Meadow.

This year's squad hopes to reach higher goals with the help of new coach John Cannon.

Coach Cannon, a 22 year old resident of Port Washington, succeeds last year's coach, Charles Salaway, and should bring a youthful aspect of lacrosse to the team.

Of the 35 boys that tried out for the team this spring, 31 made it. Among those selected are goalie Dennis Batsidis and John Graser, who starred on the team last year. Important new players are Timmy Langton, Jordan Klein, and Tim Caban.

This year the team will play a total of 15 games, finishing with an away game against Massapequa on May 23rd.

Boys Track

by Lauren Gelman

The Boys' Spring Track team has begun practicing for what Coach Nocera thinks will be, "A winning season." The team hopes to beat last year's record of .500 and Nocera thinks that with the returning seniors and some very promising new runners, they have a good chance of doing it. A few of the returning distance runners are seniors Bill Haubert, Rob Dallasandro, Greg Heijmans, and Kevin Littman, along with senior discus thrower Steve Schneiderman.

Port's first meet will be April 3, at home. Although Port is in an extremely tough division with

competition such as Uniondale and Lawrence, Nocera said, "I have seen many excellent athletes come out this year and they all are performing very well. I am looking forward to seeing how we fare against the high-quality opposition."

Girls JV Softball

by Todd Hazelkorn

The Girls' Junior Varsity Softball team, headed by second year coach Michele Cucci, is off and running. They, like most spring sports teams, have had little time to practice outdoors. Their indoor practices have begun to prepare them for a very tough season. "They have a very competitive schedule for the J.V. level which will benefit the girls softball program in the future," commented Girls' Varsity Softball coach, Stephanie Joannon. The team faces a rigorous schedule against some very skilled competitors.

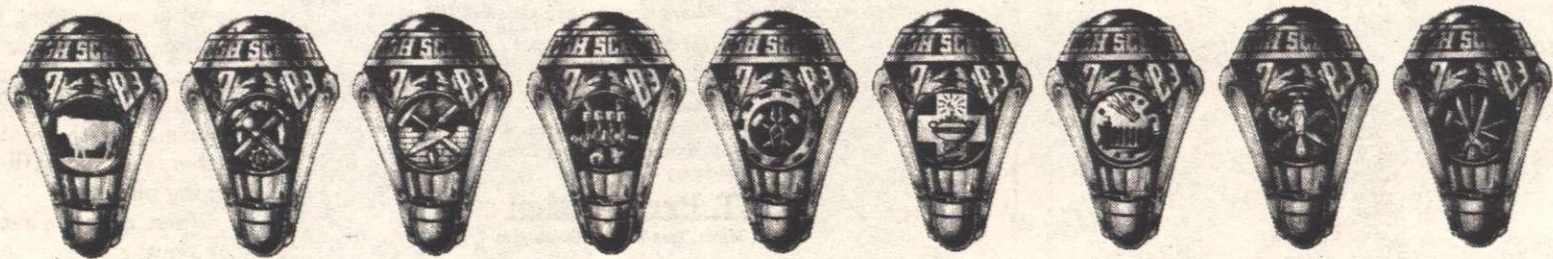

The team consists of thirteen players, including veterans Lyssa Lamport and Betty Hatton, a junior and a sophomore, respectively. "The team is filled with quality players," sophomore Jessie Lombardo stated.

Coming off a reasonably successful season, the squad hopes to improve their overall record this year.

International Festival

on April 13th (look for ticket sales)
Pie Eating Contest, (Root)beer Chugging Contest
and many more international games and food.

Your class ring from Balfour.

Craftsmanship

Sometimes artists get their hands dirty. Balfour craftsmen don't wear gloves. Their artistry is in their fingertips. Another reason why you can choose your Balfour class ring with confidence and wear it with pride.
